Primary School

HOGHTON

Friday 19<sup>th</sup> December 2025

Dear Families,

We have reached the end of this calendar year and the first term of our school year, and what a wonderfully busy one it has been.

There is so much to celebrate already. All at Coupe Green are extremely proud of how our children have settled into the new school year, and particularly those children who are new to our Coupe Green family.

This week, school has been filled with festive cheer and performances. I would like to say a huge well done to all our infant children who dazzled on stage in their nativities. It was wonderful to see how confident they all were and how big their voices can be!

We also hosted the greatest show in Hoghton – Coupe Green's Got Talent. The children who performed were amazing and displayed such confidence – well done!

Over the last term, we have worked on our school value of respect and learnt how to be respectful learners. All staff have been blown away by the children's manners and thoughtfulness towards others. So many children have opened doors and greeted others, asking how they are. These little acts of respect have a huge impact and have made school an even more special place to be.

Next term, we will be learning about our next school value, kindness. Children will have weekly lessons where they will learn what kindness is, how it impacts others and how to show kindness to others and themselves.

As part of our Behaviour Curriculum, our children have voted for Behaviour Ambassadors in their class, considering those who have displayed all the attributes of a 'Respectful Learner'. We are extremely proud of our first ambassadors and of the selections that our children made. Our ambassadors will begin their duties in the new year.

Many of our children have taken on leadership roles in school, including our school councillors, who have planned and delivered many wonderful events for our children and their families. They have raised funds to support charities and purchase play equipment for lunchtimes. Now, they prepare to pass on the important role to the next councillors. Those children that feel they can lead school and share the views of their classmates to create positive change in school, should apply for the role and prepare a presentation to share with their class, explaining why they would be a suitable candidate.

Along with the many things to celebrate in school we also want to share some wonderful news with you, Mrs Cooke is expecting a baby, after a successful IVF journey. We are all overjoyed for her and her husband.

H O G H T O N

As we end our first busy term, I would like to take the opportunity to thank all of our families for their continued support. Working in partnership with our families is so important to us as a school and has such a positive impact on the children. All at Coupe Green look forward to another wonderful year together.

Finally, I wish you all a Merry Christmas, filled with fun and family time.

Yours sincerely,

*Mrs J Littlewood*

Headteacher
