Primary School

HOGHTON

Friday 23rd October 2026

Dear Families,

Our first half term of this academic year has come to a close and what a half term it has been. The little Acorn's have settled into school life so well and we couldn't be prouder of the progress they have made, showing such independence and enthusiasm in their new learning environment – well done Acorn Class. Children across school have transitioned into new years with maturity and positivity, impressing adults both in the classrooms and the wider school. School has truly been filled with a positive attitude to learning, curiosity and perseverance.

Celebrations

This half term has been busy and filled with so many things to celebrate.

Lancashire Behaviour Quality Mark

On Monday, this week, school took part in a Behaviour Quality Mark assessment and we are thrilled to share that our school was awarded Gold Standard for our approach and management of behaviour. We are always proud of our children and how they conduct themselves and have worked hard to develop a positive curriculum, built upon our school values, which teaches our school expectations of behaviour. It was lovely to receive positive feedback from the Local Authority on the work that we do as a school, capturing the heart of our school, *'A defining strength of the school is its strong sense of community and genuine family atmosphere that permeates all aspects of school life. This culture is authentic and deeply embedded.'*

Fantastic Football

Football is a passion across school and one that we wish to encourage by providing our children with opportunities to play as a team and compete. This half term, some of our Junior children have had the opportunity to compete in South Ribble games, where they showed amazing team spirit, determination and respect. A huge well done to both the Junior girls' and boys' teams. We can't wait to see what else you achieve this year!

Open Events

This half term, we have had the pleasure of inviting new families into school as part of our Open Day events. It was wonderful to see our school Behaviour Ambassadors and Year 6 pupils showcase school, by completing the guided tours and welcoming families into school. I was extremely proud of their maturity and knowledge of school – well done!

To prepare for the Open Events, we had a wonderful team of helpers to 'Spruce Up' school. A huge thank you to all that attended, proving that many hands make light work.

Spooky and Sparkly

This year's celebrations have been wonderful yet again. A big thank you to Friends of Coupe Green who organised this year's pumpkin decorating competition. Each year, we are amazed by the creativity and effort – well done to all that entered.

It was a pleasure to host another FOCG disco which was only possible with the support of our school families. Thank you to all those who gave their time to plan and host the disco. The children thoroughly enjoyed it.

Looking Ahead

Next half term is set to provide magical memories. We are extremely excited to attend our first whole school trip, thanks to FOCG. This will be a special experience and will certainly fill us with the festive spirit.

Following that, the nativity season will begin, which is always a highlight of the school year. We eagerly look forward to our youngest children performing on stage.

With so many things to celebrate and so many achievements made, we close the first half term filled with pride. Well done to our wonderful children and staff for making school a special place to be.

We hope that you all have a wonderful half term and look forward to welcoming you back on Monday 2nd November.

Yours sincerely,

Mrs J Littlewood

Headteacher
