HOGHTON

Friday 22<sup>nd</sup> May 2026

Dear Families,

As we come to the end of another busy and rewarding half term, I would like to take this opportunity to reflect on the children's achievements and thank you for your continued support.

Firstly, I would like to say a huge well done to our Year 6 children who have completed their SAT assessments. They showed maturity, determination and focus, which is all we can ask for. All staff are incredibly proud of them, and they should certainly be proud of themselves. They now look forward to the residential trip to Borwick Hall and their final production here at Coupe Green.

It was also wonderful to welcome local councillors into school to hoist our new flag. The flag has proudly flown above school, celebrating our school values and fiftieth year. With support from our local councillor, the school council had a wonderful opportunity to meet the Mayor of South Ribble. The children thoroughly enjoyed this, and we plan to continue this opportunity moving forward for our future school council members.

As always, we have celebrated more sporting successes and events this half term, with the return of Steven Gerrard Football Academy sessions. A huge thank you to Mr Clarkson for enabling this and his team of coaches for teaching the children so well.

Our Reception, Year 3 and Year 5 children have also developed and enhanced their cycling skills, through Bikeability, Scoot Safe and Tots On Tyres sessions. The coaches shared how polite, engaged and resilient our children were. It was truly wonderful to see so many children facing challenge with positivity and making excellent progress.

This half term has also been filled with lots of extracurricular activities: Multi-skills, gymnastics, phonics, netball, Lego Church and Outdoor Adventurers. The Outdoor Adventures completed projects in the grounds, including planting, den building and creating a Positive Pebble Garden, utilising crafting and whittling skills. The Positive Pebble Garden can be found at the front of school. We welcome more positive pebbles, so if you create a positive pebble at home, please feel free to add it to the garden.

Today we celebrated the children recognised for their fantastic attitude to learning and for demonstrating our school values. Well done to all of those children who received awards today, including those who were given the title of behaviour ambassadors – we are very proud of you!

We now look ahead to our final half term of this academic year, which is set to be a fun filled, busy and exciting one.

There is so much to look forward to starting with our World Cup Day in our first week back. The school council and Mrs Barry are busy planning exciting activities for classes. Following the sports theme, we also look forwards to Sports Day, all being well, Healthy Heart Week and Dance from the Heart. We will certainly be fit and healthy at the end of a busy sporting few weeks.

H O G H T O N

Our final half term is a time to celebrate successes, welcome new families and say farewell to our Year 6 children. Change is an opportunity to develop and grow and although it can be a little scary, we need to teach our children to embrace it and see the wonderful opportunities that change can bring. This is important for all our children who will be preparing to move to another year group. As a mixed year group school, this change takes lots of planning, thought and consideration. All decisions made are child centred and given considerable time and thought. I would like to take the opportunity to remind families and our children, that decisions made are final and made in conjunction with class teachers, considering children's voices and are made to create a balanced class. I respectfully ask families to trust in our judgement and understand that they are made with children's best interests at heart.

Moving into our final half term, we embrace change, challenge and our values, 'Love and Equality'.

I hope that you all have a wonderful half term and we look forward to seeing you all in June.

Yours sincerely,

*Mrs J Littlewood*

Headteacher
