

Coupe Green
Primary School

H O G H T O N

Thursday 16th July 2026

Dear Families,

We have reached the end of another busy and brilliant year. There have been so many things to celebrate and many positive developments across school.

I would like to start by taking the opportunity to acknowledge the hard work of our Year 6 children and the wonderful year they have had. It truly is a privilege to be able to watch so many children grow into confident young people. Each year, I reflect on this and feel so proud of the children that leave us to start their High School journey. All at Coupe Green wish the 2026 Year 6 class the very best of luck for the next step in their learning journey.

The many performances that we offer across the school year are a real opportunity to watch children blossom and this year has been no different with so many of our children shining on stage. The last two weeks have been filled with performances and I have been blown away by the children's singing, dancing and acting skills. Whilst watching the performances, it has been amazing to see how the children support one another and fill each other with confidence. I would like to say a huge well done to every child that has performed, along with the staff who worked tirelessly to put the productions together.

To our wonderful staff, thank you for your hard work, dedication and the care you show to each and every child in school. You make this school the special place that it is and I feel very blessed to have such a strong and caring team.

To our children and families, thank you for the support you have shown school this year, from the amazing home learning projects to attending school events. Working in partnership makes the school feel united and supports our children's learning and development significantly – thank you!

I can not go without recognising the hard work of Friends of Coupe Green. The work that they do is invaluable and has enabled school to continue to develop, benefitting every child in school. I would like to say a special thank you to Mrs Nickson, who has led FOCG for many years with kindness, thoughtfulness and passion. She has had a huge impact and we will certainly miss her.

As we look ahead to the new school year, we welcome our new families and children. The last few weeks have been filled with transition activities, including exploring the school grounds whilst on a Teddy Bear Hunt. We are so excited for our new Acorns to start 'big school' in September.

I hope that you all have a wonderful and restful summer, filled with adventures and family time. Children, keep safe and continue to be inquisitive over the summer break. We all look forward to welcoming you back to school in September and hearing about all the fun you have had.

Yours sincerely,

Mrs J Littlewood
