

## SINGLE EQUALITIES POLICY AND ACTION PLAN

### STATEMENT OF PRINCIPLES

The policy outlines the commitment of the staff, pupils and governors of **Coupe Green Primary School** to ensure that equality of opportunity is available to all members of the school community. For our school this means not simply treating everybody the same but understanding and tackling the different barriers which could lead to unequal outcomes for different groups of pupils in school, whilst celebrating and valuing the achievements and strengths of all members of the school community. These include:

- Pupils
- Staff
- Parents, carers
- The Governing Body
- Multi-agency staff linked to the school
- Visitors to the school
- Students on placement

We believe that equality at our school should permeate all aspects of school life and is the responsibility of every member of the school and wider community. Every member of the school community should feel safe, secure, valued and of equal worth.

At **Coupe Green Primary School**, equality is a key principle for treating all people fairly and creating a society in which everyone has the opportunity to fulfil their potential-irrespective of their gender, ethnicity, disability, religion or belief, sexual orientation, age or any other recognised area of discrimination.

Pupils at **Coupe Green Primary School** feel that they are valued members of the school, they feel safe in and around school and feel that adults treat them fairly (pupil attitude questionnaire)

Parents feel that they are well informed by good communication and that all children are treated as individuals. Parents also feel that all whom enter the school are made to feel welcome. (Lancashire Parents questionnaire)

Ofsted states *Parents and pupils alike express great confidence in the school's ability to make sure that the school remains a place of safety and high quality care.*"

## **ETHOS AND ATMOSPHERE**

Coupe Green is predominantly a white British area with few people from ethnic backgrounds. School works hard to address this issue to ensure that our pupils are able to value and understand people from a wide range of backgrounds. We visit other groups from more varied ethnic areas in the county and reflect on visits made by staff to other areas of the world in our assemblies.

- At Coupe Green Primary School, the leadership of the school community will demonstrate mutual respect between all members of the school community.
- There is an openness of atmosphere which welcomes everyone to the school.
- All within the school community will challenge any type of discriminatory and/or bullying behaviour, e.g. through unwanted attentions (verbal or physical) and unwelcome or offensive remarks or suggestions.
- All pupils are encouraged to greet visitors to the school with friendliness and respect.
- The displays around the school are of high quality and reflect diversity across all aspects of equality of opportunity and are frequently monitored.
- Provision is made to cater for the spiritual needs of all the children through planning of assemblies, classroom based and externally based activities.
- Celebrate and learn about festivals from other faiths and cultures.

**Coupe Green Primary School** is an inclusive school, working towards greater equality in the whole school community. We use the curriculum and teaching to enhance the self-esteem of all those it serves and to provide a learning environment in which each individual is encouraged to fulfil his or her potential. We also have Nurture provision to work with staff and pupils who need to develop their self-esteem.

## **POLICY DEVELOPMENT**

This policy applies to the whole school community. It has been drawn up as a result of the outcomes of a transparent process and through consultation with:

- Pupils (School Council and Pupil Attitude Questionnaires)
- Parents/carers (Lancashire Parents Questionnaires)
- Staff (Self Evaluation Toolkit)
- Governors (Governors and Committee Meetings)

## **MONITORING AND REVIEW**

We collect and analyse a range of equality information for our pupils by:

- Chronological age group.
- Male/female
- Children Looked after
- Special need types
- Level of ability cohort
- Free school meals
- Pupil Premium

This information can be found in the LSIP report (Lancashire School Information Profile) which assists in self-evaluation. We make regular assessments of pupil's learning and use this information to track pupil's progress, as they move through the school. (Lancashire trackers) As part of this process, we regularly monitor the performance of different groups, to ensure that all groups of pupils are making the best possible progress. We use this information to adjust future teaching and learning plans, as necessary.

Resources are available to support groups of pupils where the information suggests that progress is not as good as it should be. The governing body receives regular updates on pupil performance information. (SEC meetings).

School performance information is compared to national data and local authority data to ensure that all pupils are making appropriate progress when compared to all schools, and to schools in similar circumstances.

As well as monitoring pupil performance information, we regularly monitor a range of other information. This relates to:

- Attendance
- Exclusions and truancy
- Racism
- Disability
- Sexism
- Homophobia and all forms of bullying
- Parental Involvement
- Participation in extended learning opportunities

Our monitoring activities enable us to identify any differences in pupil performance and provide specific support as required, including pastoral support. This allows us to take appropriate action to meet the needs of specific groups in order to make necessary improvements.

We aim to recruit an appropriately qualified workforce and establish a governing body that is representative of all sections of the community in order to respect and respond to the needs of our population.

- Applicants for employment
- Staff profile
- Governing body profile
- Attendance at training events
- Disciplinary and grievance cases
- Staff performance management

This data is of course confidential and is not collected by name.

We have identified the following areas of development from the analysis of data:

2. Seek children's views about learning; use this feedback, and assessment data, to plan for teaching which promotes a love of learning & improves progress, particularly for boys in writing and girls in Maths.
