

## HOME-SCHOOL AGREEMENT

### Mission Statement

*Creating an inspirational and vibrant community where all members are able to achieve excellence as proud, confident individuals.*

### Vision Statement

We are determined to create an inclusive culture where children and adults alike develop a love of learning, where all children will be challenged in their thinking, to achieve to the best of their abilities.

We will empower our children to become respected citizens to enable them to make valuable contributions locally, globally and to contribute to our world's sustainable future.

We believe that this is achieved most successfully when all staff, parents and children understand their responsibilities and work together towards the same goals, as detailed in our home/school agreement.

### Learning together, supporting each other

**We all agree to live by our caring school values and  
Respect Each Other, Be Kind, Be Honest, Show Equality and Love to one another.**

- Provide information and helpful training sessions for you that will give you confidence to support your child.

### **Parents/Carers**

#### **The Learning Environment**

As a Parent/Carer I will:

- In order to help my child gain the most of their education, make sure my child arrives at school by 8:40am prepared to start their lessons. I will endeavour to collect my child on time.
- Ensure that my child is wearing named school uniform or other suitable clothing, if requested.
- Do my very best to provide a safe, secure and happy environment at home for my child, acknowledging that they learn at home.

#### **A Healthy, Happy Community**

As a Parent/Carer I will:

- Let the school know of any concerns or worries that may be affecting my child's learning, behaviour or ability to do homework, as this can then be resolved quickly.
- Support the school by encouraging my child to develop a positive attitude towards diversity and other cultures.
- Attend meetings with my child's teacher and other staff, aiming to be positive and productive, working towards moving my child on in their learning.
- Support and work with school to ensure that the behaviour management policies of the school are maintained, particularly with my child.
- Encourage a positive attitude towards my child's education and our school. If I have any concerns, I will come and discuss them with you as it is much healthier to work out solutions and move on.
- Read all information sent home as this gives me important details of relevant policies, meetings, workshops, activities, newsletters and open days; via email, text and letters.
- Keep school up to date with any changes in address, contact details and needs for my child.
- Ensure that school lunches are chosen on time and paid for through Parent Pay.
- Use social media appropriately ensuring that no comments are made that could bring school into disrepute.

## Homework

- I will endeavour to support the school by making sure that homework tasks are completed and returned on time.
- Use my talents and experiences to enhance my child's learning at home, as my child will benefit greatly from what I can show them, discuss with them and teach them.
