## Well Done Year 6!

We are immensely proud of our Year 6 children who have completed their SAT assessments this week. All the children tackled the assessments with mature and positive attitudes, which is all we could ever ask for.

We are so PROUD of you!

## Sports Day

We look forward to our Sports Day next week, Thursday 22<sup>nd</sup> May, and welcome families to come and cheer the children on as they complete the track events.

This year, to support families with children across key stages, we will hold all of the track events in the morning.

Juniors (Y3 – 6) will begin the day, with their track events taking place from 9:00am until 10:15am.

Infant children (EYFS – Y2) will compete from 10:15am – 11:30am.

Families are welcome to join us on the school field between 9:00am and 11.30am to cheer the children on.

We will be selling refreshments for adults to keep you fuelled up – just in case we manage a parents' egg and spoon race!

We ask that those who are staying to watch will take a seat on the main field at 9:00am, ready for the events to begin.

Any parents that will be coming for the Infants only, will be asked to wait at the gate by the office, please, where a member of staff will then let you in at 10:15am.

Between 9:00am and 11.30am, the office answer phone will be turned on to take calls, as all staff will be supporting the events on the field.

Let's hope the weather remains fine so that the event can go ahead!

## Ash Class Visit

On Monday, Ash Class look forward to visiting Quwwat ul Islam Mosque and will be having a tour of the mosque. Children will learn about the Islamic faith through a question and answer session, observation of how prayer is performed and a talk about the life of a Muslim. We have explored Islam in our R.E lessons and Ash Class are now excited to have this real-life experience.

## Cricket Festival

Last Thursday, we enjoyed a wonderful cricket festival with Paige from South Ribble. The class enjoyed a game called 'Five Bats', where each time a player was out, you lost a bat. There was also an umpire, who counted the score of the other team. Paige showed us how to play and the whole class appreciated it.

The cricket festival was great fun.

Thank you, Paige!

## Bikeability

All the Year Fives had fun learning the rules of the road, whilst riding our bikes. For stage one, we had to do an M check on our bikes to make sure they were safe. We started on the playground and learned how to signal, move safely and emergency brake. For stage two, we cycled on the road, in small groups, with an instructor. We learned observation, communication, positioning and priority. Now, we all feel safer and more confident on our bikes.

## Scoot Safe

On Wednesday, 14<sup>th</sup> May, Year Three enjoyed a Scoot Safe session with a specialist coach from South Ribble.

Alice from Ash Class reports:

'In scoot safety, I learned how to put on my helmet and how to ride my scooter safely. I had so much fun!'
