Sikh Celebration Day

On Tuesday, we had a wonderful day learning all about Sikhism. Our day started with an assembly led by Nihaal-Rai (Elm Class), who spoke confidently about his faith to the whole school. Our afternoon was filled with crafts, instruments and exploring amazing objects, helped by Ms Kaur. A huge thank you to Miss Brooks, for all her hard work, and to Ms Kaur, Akaal-Roop and Nihaal-Rai.

Bounce Day

Thank you to all of those who sponsored the children to complete the bounce day challenge. The final total is yet to be calculated and announced, but we anticipate that our energetic bouncers have raised at least £690. Well done children and a huge thank you to FOCG for creating such a fun fundraiser.

Sun Cream and Hats

The weather seems to be finally getting warmer. Please ensure that children are prepared for the sun and bring sun cream into school, if required, along with sun hats. Thank you.

Sports Day

Please keep your fingers crossed for dry weather on Tuesday, 2nd July for our Sports Day. Infant families are invited to watch track events at 9:00am and Junior families are invited to watch track events, in the afternoon, from 1:45pm.

Wellbeing Workshops

Next week, on Thursday 27th June at 9:00am, we will host a wellbeing workshop, in our school hall, looking at supporting children with worries, change and big feelings. This session will be repeated on Wednesday 10th July at 2:30pm. If you wish to attend one of the sessions, but haven't yet signed up, please contact the school office.

Netball Tournament

Mrs Barry and her netball team competed in their first ever tournament this week, playing nine games. The girls thoroughly enjoyed it and have already asked when their next game will be. Well done girls!

Road Safety and Life On Wheels

This half term, we have lots of activities taking place regarding road safety and being safe and confident on wheels.

Our Reception pupils will be learning how to keep themselves safe near roads, including crossing the road safely. They will also complete Tots on Tyres, learning to ride a balance bike and then progressing to a bike with pedals.

Year three pupils are taking part in Scoot Safe, a training programme for scooter riders, including learning how to carry out a scooter and helmet safety check.

Meanwhile, our Year five pupils have now completed Bikeability, learning cycling skills, including controlling a bike, looking around and signalling.
