Healthy Heart Week

This week, everyone has been enjoying our fun and energetic activities for Healthy Heart, which has just concluded with a wonderful whole school dance on the school playground, in the sunshine, for Dance from the Heart.

Thank you to all those who have made donations to our Healthy Heart Week payment item on ParentPay. So far, we have raised £374 to put towards our new defibrillator. If anyone else would like to donate, the payment item is still open. Thank you so much for your generosity.

Netball

Last week some Year 5 & 6 pupils took part in a Netball Competition at Lostock Hall High School. The competition was really fun because netball was a new sport for us and we wouldn't have been at the competition if we didn't have Miss Marsh.

Sports Day

All pupils took part in a number of sporting events, including the short distance running race, the relay race, the egg and spoon race, the long distance throwing, the speed bounce, the long distance jump and the high jump. Many children really enjoyed this event, and I am personally proud of myself too. Some children won the Spirit of the Games Award.

Dance from the Heart

All week we have been teaching the school Dance from the Heart. Today the team from South Ribble came to do a roadshow and we got to do it with them. Everyone else in the school got to join in with us as well. It has been really fun.

Lunch Bookings

Can all those who have school lunches, please log in to their ParentPay accounts and check their lunch bookings. Unfortunately, due to a problem with the ParentPay system some bookings have been cancelled.

School meal bookings can now be made through to Friday 18th September, including a special Year 6 Leavers' Lunch, on Tuesday 14th July, which the whole school are welcome to book and enjoy.

Please book lunches for Thursday 3rd and Friday 4th September before we close for the Summer on Thursday 16th July. Thank you.

Change

During this week's assembly we spoke about change and how we can face change with positivity, seeing new opportunities. As we prepare to transition children to the next phase of their learning journey, we ask that families support this positive narrative at home, in particular, when classes are shared. Creating classes at Coupe Green takes lot of time, effort, thought and most of all care for our children. Decisions made are final and with our children at the centre, whilst creating balanced classes making the best learning environments for all.

Dementia Talk

Yesterday we had a dementia talk from Tim from Dementia UK. He talked to us about how to be more dementia aware and tell us about some dementia clubs such as football and golf. He also gave us badges.

Tri Golf

In the Tri Golf we hit the golf balls as far as we could and we could get points for hitting as far as we could. Our aim was to putt the ball into the hole in less than 6 tries – that was tricky!

Friends of Coupe Green News

A huge **thank you** to everyone who came along and supported our Summer Fair last Saturday. It was a fantastic afternoon, full of fun, and thanks to your incredible support we raised over **£1,600!** None of this would have been possible without our amazing parent and teacher volunteers who generously gave up their time to help on the stalls and behind the scenes.

We'd also like to say a heartfelt thank you for your continued support throughout the year.

Whether you volunteer at events, donate items for non-uniform days, buy raffle tickets, attend our events or simply help spread the word, every contribution makes a real difference.

Your support enables us to create lasting memories for our children through events like the Summer Fair, as well as fund special surprises such as the ice cream van which visited school yesterday to help everyone cool down in the hot weather. It also allows us to purchase valuable resources, including our fantastic new outdoor Art Studio, which the children are already enjoying.

As we look ahead to September, we'll be saying goodbye to two valued committee members as children move on to secondary school. This means we're in urgent need of some new volunteers. Whether you're a parent, grandparent, family member, friend or neighbour, we'd love to welcome you to our team. If you'd like to get involved, please contact the school office or email us at friendsofcoupegreen@gmail.com.

Together, we can continue making wonderful memories for all of our children.

Diary Dates

Please see the diary dates below, as they stand, for the rest of this fun, busy half term.

Diary Dates	
Monday 29th June	7:45 KS2 Football Club 12:30 Build Your Faith Lego Club 3:15 Y5/6 Production Club
