School Council News

Our School Council would like to thank everyone for supporting their fundraising efforts with both Children In Need and The Reindeer Run.

Your kind donations to Children In Need have continued to flow into the payment item on ParentPay, with the new total raised reaching a wonderful £278.50.

Thank you for all your donations of cakes and sweets for our Reindeer Run. From the games and cake sales, we have raised a fantastic £320.95.

With almost one hundred people donating to take part in the fun run, we look forward to announcing the final total raised once all sponsor money has been collected and donated. If you do have any further sponsor money to hand in, please can this be done online at http://www.justgiving.com/team/focgteam or any cash handed in at the school office. Thank you so much for your generosity.

Coupe Green's Got Talent

The most famous show in Hoghton is back on Wednesday 17th December!

If your child wishes to enter and showcase their amazing talents, please send details to the school office via enquiries@coupegreen.lancs.sch.uk stating your child's name, class and act.

Auditions will take place during the week beginning 8th December.

Lunt Meadows Nature Reserve Visit

Maple Class had such a fun and interesting time at Lunt Meadows. Our first activity was a workshop, where we learned all about the water cycle. Our map skills were put to the test, as we navigated our way around the reserve, searching for numbers with our groups. We had such an amazing time and hope we can go again!

by Haneefah and Laila

Gawthorpe Hall Visit

Today, Friday 28th November, Elm Class experienced a Victorian Christmas at Gawthorpe Hall. The children enjoyed playing some traditional Victorian games, learned how to make a Christmas pudding, made their own cornucopias and even met Father Christmas!

Flag Competition

This year, to celebrate the fiftieth anniversary of our school, we would like our pupils to design a new flag for our flagpole, please!

The winning entry will be printed onto a real flag and raised for all to see!

The flag must: include our school logo; celebrate our school values of love and equality, respect, kindness and honesty; celebrate our school turning fifty years old and reflect our school family.

All entries should be sent to the school office by Friday, 12th December, please.

Christmas Through The Keyhole

On Monday 1st December, the whole school have been invited to celebrate 'Christmas Through The Keyhole' to develop our understanding of the Christmas story. This is the third year in which All Saints Church have kindly invited us to share in a special Christmas event with them. Please can everyone wear their usual school uniform for this visit, with the exception of Oak Class, who should wear their Monday PE kit, as usual. Please ensure you have given your permission for this visit via the form sent out by text and email. Thank you.

Recycling At School

We are still collecting used ink cartridges, batteries and any small electrical household items, with a plug, battery or cable, such as kettles, toasters, printers, mobile phones, electric toothbrushes or children's toys. If you have any of the above, which you wish to recycle, please bring these items to the school office.

Rocksteady Concert

On Tuesday 2nd December, we will be entertained by four bands at our end of term Rocksteady Concert to showcase and celebrate all that our Rocksteady musicians have learned this term. We look forward to enjoying performances of 'Golden', 'Sweet Child O' Mine', 'Eye Of The Tiger' and 'Best Day Of My Life'.

Parents Evening

Thank you to all those who have booked in appointments to see class teachers on Wednesdays 3rd and 10th December. Our teachers are very much looking forward to celebrating your child's progress with you and discussing the next steps in your child's development, so that you can continue to share and be fully involved in all learning journeys.

Reindeer Run - Thank You!

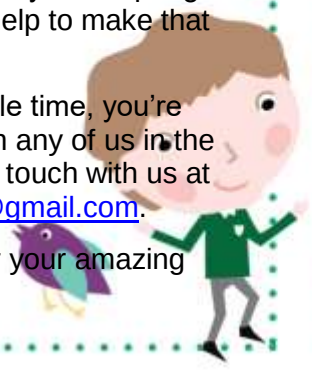

A huge thank you to everyone who joined us for this year's Reindeer Run! Whether you took part, got sponsored, stayed to cheer, or supported in any way at all, we are so grateful. It was such a lovely event and we think both children and adults enjoyed themselves just as much! The festive spirit certainly made it an afternoon to remember.

Although we won't be holding a Christmas Fair or big festive event this year, we do have something exciting to share… FOCG have been in touch with the Big Man himself, and it sounds like there may be a very special visit and surprise for all the children on party day!

To bring back our larger events in the future, we really do need more hands, please. If you can join FOCG in any way, helping at events, planning them, or offering support behind the scenes, we would be incredibly grateful. We all work and understand how busy life is, but with a few more helpers we can continue creating wonderful memories, raising funds, and bringing plenty of smiles to our school community. We are really keen to repeat the success of last year's Spring Fair, but we do need your help to make that happen.

If you can offer even a little time, you're welcome to have a chat with any of us in the playground or please get in touch with us at friendsofcoupegreen@gmail.com.

Thank you, as always, for your amazing support!

Nativities

It is lovely to hear all the songs being practised for our upcoming nativities. Thank you to all those who have requested tickets. We will confirm your ticket allocation and open up the payment item to purchase your tickets during week beginning 1st December. Thank you.

Lunches

Christmas dinner will be served on Wednesday 17th December, followed by a Christmas party lunch on Thursday 18th December. Both these lunches are always very popular. Please book on ParentPay if your child would like to join in.

Please also note that Thursday 18th December is the deadline for booking lunches for week beginning Monday 5th January. Thank you.
