2nd October 2026

Harvest Collection 2026

Please can you help us to help our local foodbanks this Harvest time?

We are collecting donations of any of the following:

- tinned meat or vegetables
- tinned meals, including vegetarian meals
- pasta, rice or instant noodles
- cereals
- tinned fruit or desserts
- biscuits
- UHT milk
- sugar
- coffee or tea bags
- toiletries, shampoo or deodorants

Thank you to those who have already made donations to our Harvest display.

Please bring any further donations in to the school office by Thursday 8th October.
Thank you!

We look forward to church leaders from All Saints, Higher Walton, and Holy Trinity, Hoghton, joining us for a special Harvest assembly on Monday 5th October.

It is that time of year when we spruce up our outdoor planting areas, in preparation for Autumn. Many hands make light work so we would really appreciate your help! If you are able to support us, between 3:30pm and 4:30pm, please simply let us know. It would be wonderful if any volunteers could also please bring a hand tool of choice. Sweet treats will be shared, after 4:30pm, to celebrate our good work.

Fit and Fun Crew

Our Reception pupils have now enjoyed three Fit and Fun Crew sessions with coaches from South Ribble Borough Council. Pupils have been learning how to travel around the room in different ways, sometimes as animals! They have also practised their catching skills, both by bouncing and catching and throwing an object up into the air to catch. This week, Reception have been learning an underarm throw aiming to hit a target with a bean bag. We look forward to two more fit and fun sessions in the coming weeks.

Friends of Coupe Green News

& disco

Tickets - £4 via Parentpay
after-school club - £2

Children can attend school in their party clothes

FOCG Annual General Meeting

Please also come along to our AGM on Thursday 8th October at 6:30pm in The Oak to hear what we've achieved over the last year, share ideas for future events and meet other parents.

To keep our much-loved events going, we really do need some new volunteers. We're looking for people to carry out a range of roles from simply helping out at events to a new Chairperson. Whether you can give a little or a lot of your time, every bit of help makes a huge difference. Most of our planning is done through Messenger, making it very easy to get involved.

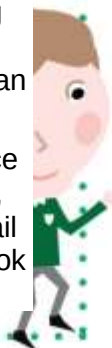

Join our Facebook group to keep up to date with events, volunteer opportunities and reminders:

Open Events for Prospective Parents

We are really looking forward to our Open Evening on Wednesday 7th October from 5:00pm – 6:00pm and our Open Morning from 9:30am – 11:00am on Thursday 8th October. Both open events will begin with an introductory talk from Mrs Littlewood.

If anyone is interested in a Reception place or a Preschool place in September 2027, and would like to view school, please email enquiries@coupegreen.lancs.sch.uk to book your open event place. Thank you.

We are excited to offer our Year 5 children the chance to take part in Let's Go Sing 2027! The performance will be held at King George's Hall in Blackburn on the evening of Wednesday 17th March 2027. As part of the experience, the children will take part in singing workshops in school, delivered by the Let's Go Sing team, as well as learning and practising a selection of songs together. They will then join children from other local schools to perform at King George's Hall on the big night. It will be a lovely opportunity for the children to enjoy singing together, build their confidence and be part of a really special experience.

Central Venue League Football Tournament

Over the last few weeks, Year 5 and 6 boys have been playing a football tournament at Withy Grove Park. Ten boys have been playing: Max, Isaac, Noah, Ollie, Elliott, Tom, Joseph, Josh, Harlen and Oliver. We have won three matches, lost two and drawn two, so we finished fifth out of eight teams. We really enjoyed using our football skills and it was a good challenge!

By Noah and Ollie

Maple Class Local Area Walk

As part of our Geography lessons, Maple Class have been learning about different types of settlements, such as hamlets and cities. We are now looking forward to our local walk, on Tuesday 6th October, when we will be identifying features within our local area to decide what type of settlement our school is located in. We will also be looking at house types, land use and transport options. Over the last few weeks, we have spent lots of time studying maps, so we can't wait to get out and about to see the local area for ourselves!
