HOGHTON

Friday 4th September 2026

Dear Families,

It has been a pleasure to welcome our children back to school this week. They have all grown so much and have shared their exciting news from the summer. Children, all adults in school are extremely proud of how confidently and maturely you have returned to school and settled in your classes.

A huge well done to our newest little Acorns who have been amazing. Starting big school is a huge step and the children have amazed Acorn staff with their enthusiasm for exploring their new learning environment – well done Acorn!

During this morning's assembly, we were able to celebrate our school values, with so many children demonstrating respect through wonderful walking and super sitting. This half term will focus on the value of respect and it is clear that the children will blow us away.

Classes have been busy learning routines in their classrooms and showcasing their Gold Standard presentation. Many of the children are eager to find out their duties and responsibilities for the year. As part of this, we will be encouraging new candidates for School Council positions. More information about how to apply for this important role will be shared very soon. Last year's Behaviour Ambassadors will also have a key role this year, with supporting the delivery of school value assemblies.

The corridors and classrooms are again filled with the buzz of learning which has been magical. Take a look at our Facebook page to see some of the super learning in action.

Next Wednesday, 9th September, parents and carers are invited into school to attend Meet the Teacher sessions, where they will have the opportunity to learn about the curriculum for the year, speak with staff and explore the learning environments. These sessions will be held in classrooms at 4pm – 5pm for Oak, Elm, Ash, Maple and Elder. Acorn parents and carers are invited to a workshop focused on the Early Years Curriculum from 2:00pm – 2:30pm on Wednesday 9th, which will be held in the hall, followed by a Stay and Play session, in class, from 2:30pm – 3:00pm. Forms will be shared next week for families to sign up to the sessions, so please do look out for those.

Children, well done on a super first couple of days back in school. We look forward to watching you grow as individuals, through a year filled with curiosity, creativity and resilience.

Yours sincerely,

Mrs J Littlewood

Headteacher
