

**Acorn Class – Pre School
Under the Sea**

This half term we will be following the children's interests and talking about Under the Sea! We will use high quality texts as starting points – including Rainbow Fish, The Undersea Cleaning Spree, and Julian's a Mermaid.

In Phonics we will continue our journey through Phase 1, exploring voice sounds and orally blending and segmenting.

For all other key skills see the Long-Term Progression Plan which can be found on the school website under Early Years.
