

Key Stage 2

Role on the Wall

Talk about how a character is feeling and the thoughts that they may have. Then challenge your child to explain why, using the word 'because'.

Reading Detectives

Once you have identified how a character is feeling, ask your child to be a detective and find evidence to support their idea. Find evidence using what you can see (pictures) and what you have read.

Up Level

Think of an adjective to describe a character, how they are feeling, the way that they look, how they act; then using the up level ladder improve the adjective used.
