EMPLOYER ENGAGEMENT

We had the pleasure of hosting multiple employers this term, with Industry talks being delivered to the whole college. Employers gave insight into different careers, offering advice on applying for jobs and information on Apprenticeships. Thank you to:

Staffordshire Uni // Mountain Trike // Wrexham Uni // Balfour Beatty // RAF

EMPLOYER PROJECTS

Bentley Assessment Centre

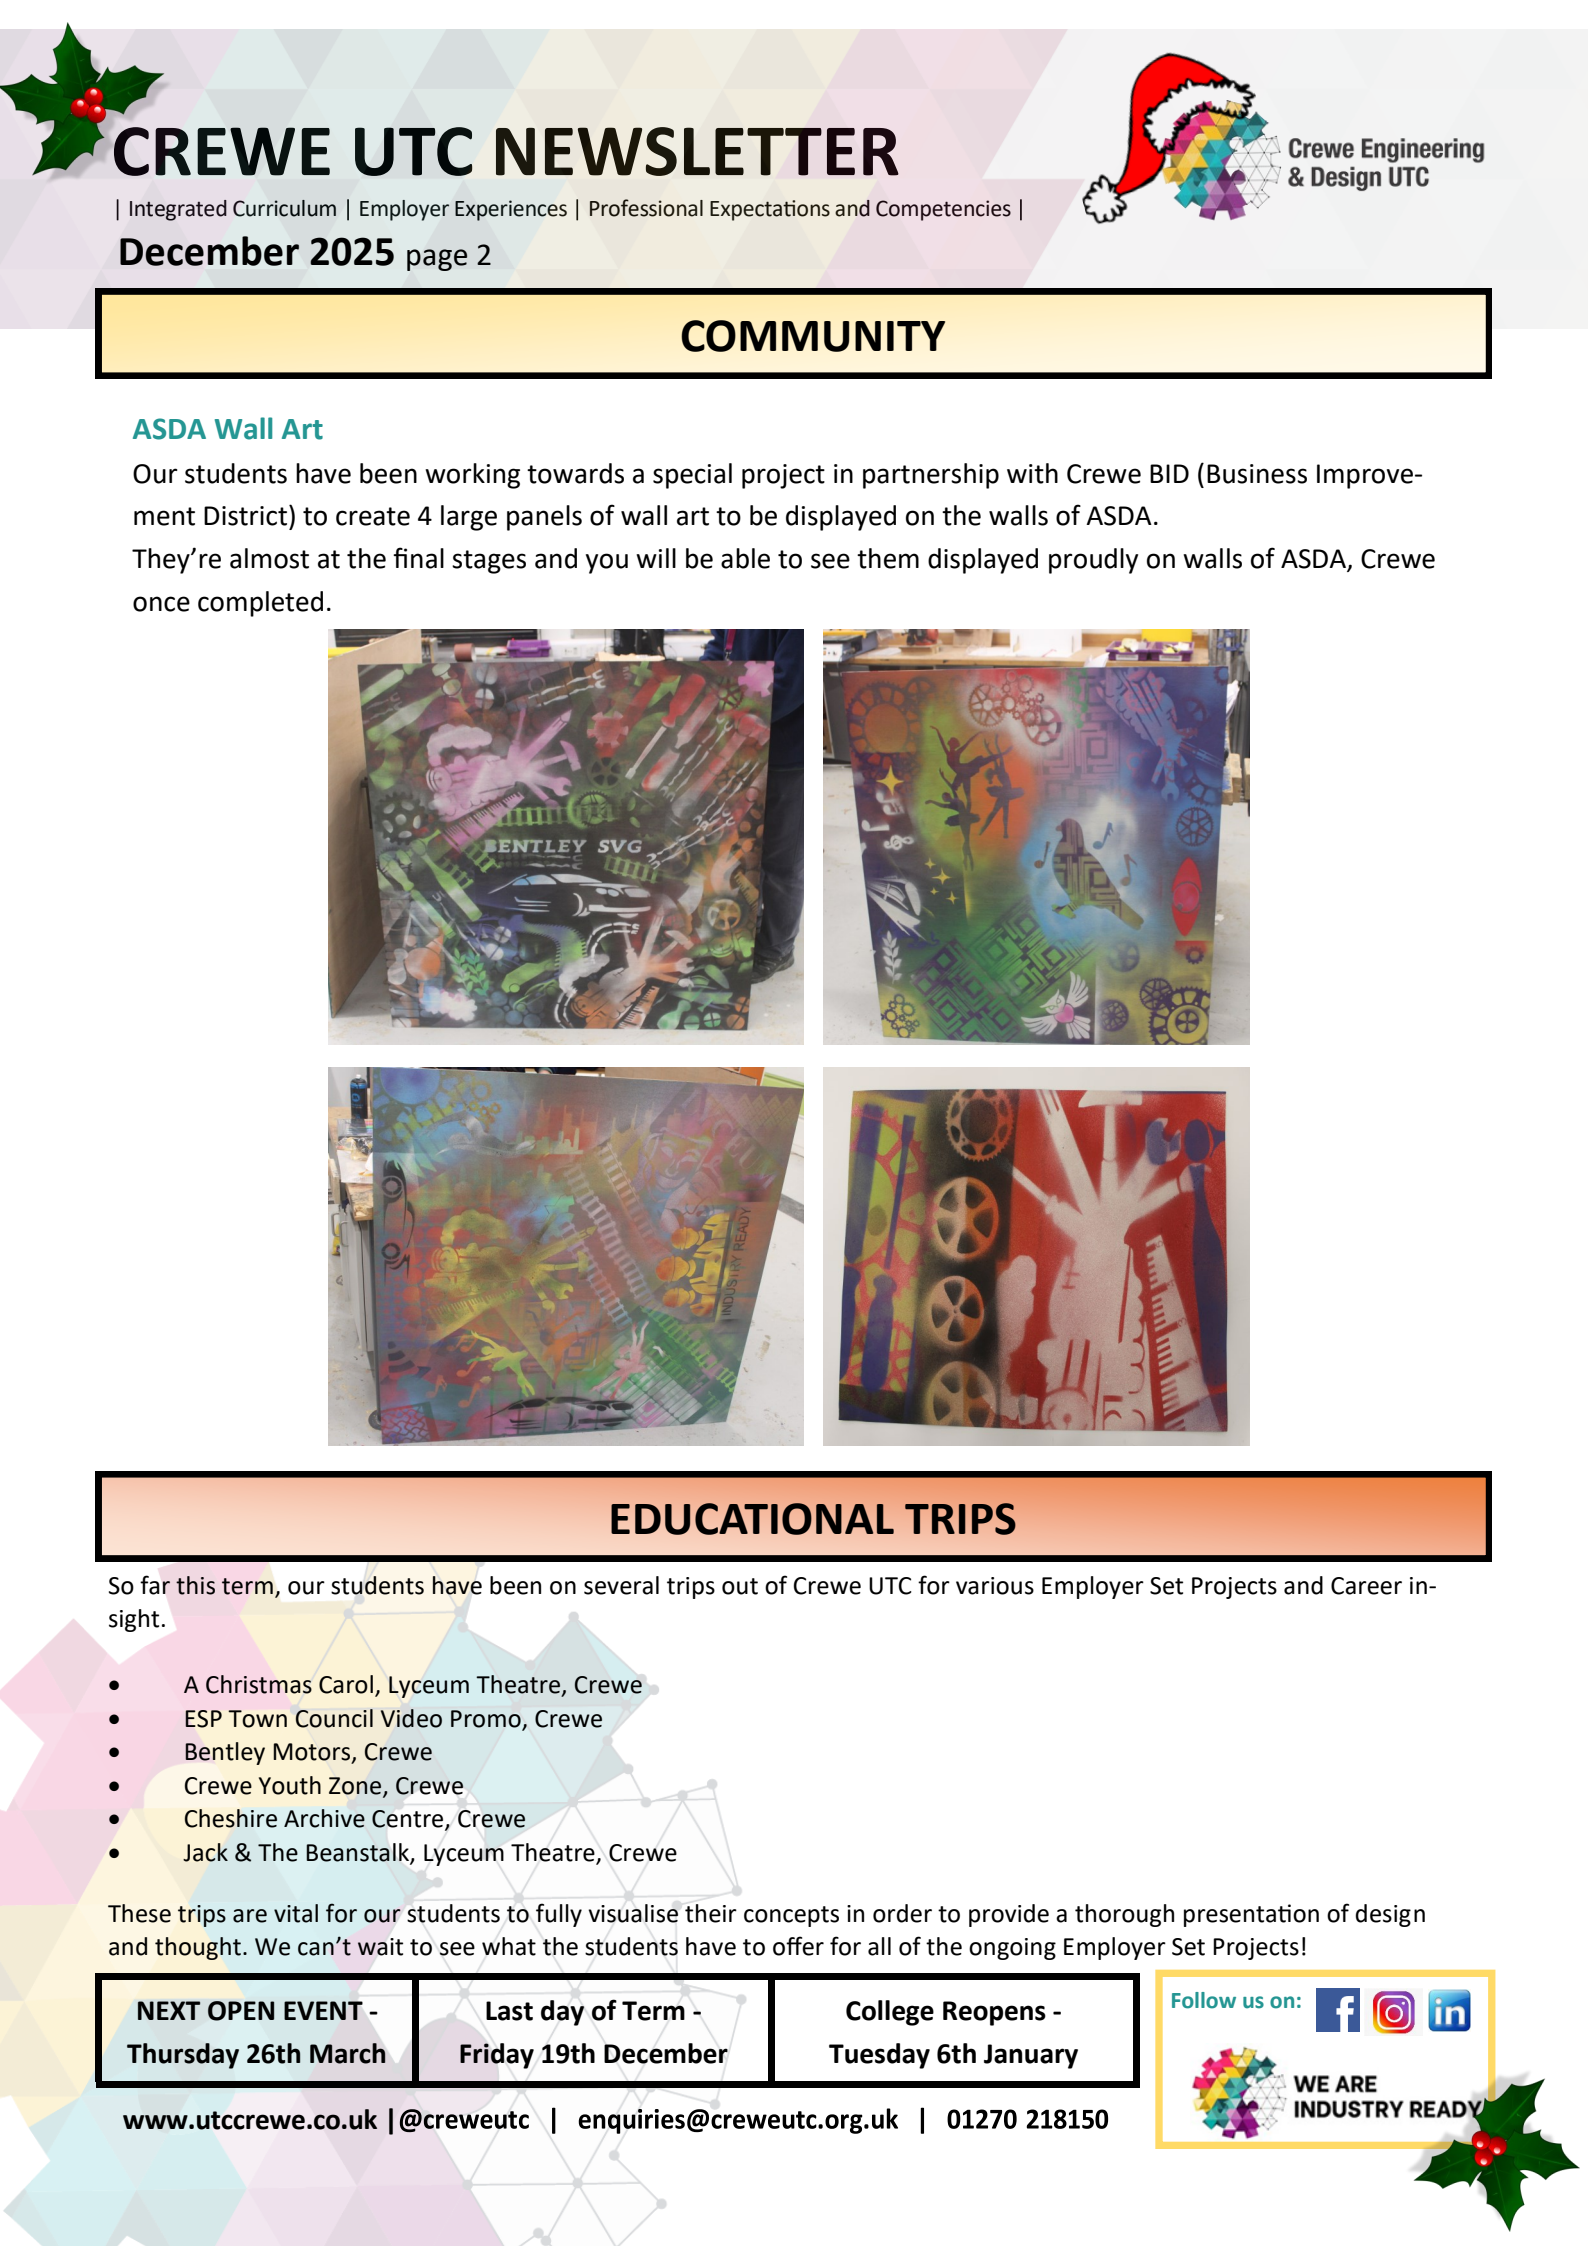

Our students had the opportunity to showcase their skills during a T Level placement assessment centre hosted by Bentley Motors. The assessment centre brought together 25 ambitious students who applied for this unique experience. Each candidate was put through a series of practical and technical challenges designed by Bentley's expert teams across specialist departments, including Research & Development, Interior Trim, and Bodywork.

Theatrical Engineering with Crewe Lyceum

This term our students were tasked with creating a beanstalk for the upcoming pantomime, Jack and the Beanstalk. They started with sketching out their designs, creating a prototype which is displayed at the Lyceum to creating the actual beanstalk used in the production. Our students have created designs and mock ups of a mechanical growing beanstalk. You can see it in action from Friday 12th December—Sunday 4th of January.

COMMUNITY

ASDA Wall Art

Our students have been working towards a special project in partnership with Crewe BID (Business Improvement District) to create 4 large panels of wall art to be displayed on the walls of ASDA.

They're almost at the final stages and you will be able to see them displayed proudly on walls of ASDA, Crewe once completed.

EDUCATIONAL TRIPS

So far this term, our students have been on several trips out of Crewe UTC for various Employer Set Projects and Career insight.

- A Christmas Carol, Lyceum Theatre, Crewe
- ESP Town Council Video Promo, Crewe
- Bentley Motors, Crewe
- Crewe Youth Zone, Crewe
- Cheshire Archive Centre, Crewe
- Jack & The Beanstalk, Lyceum Theatre, Crewe

These trips are vital for our students to fully visualise their concepts in order to provide a thorough presentation of design and thought. We can't wait to see what the students have to offer for all of the ongoing Employer Set Projects!

NEXT OPEN EVENT -
Thursday 26th March

Last day of Term -
Friday 19th December

College Reopens -
Tuesday 6th January
