17<sup>th</sup> July 2025

Dear parents, carers and students

As we approach the end of another school year I wanted to write with a few updates and share some of the excellent work that has been done this academic year. Attached is a copy of our latest Newsletter.

### Key dates

- The UTC will close at **1:30pm** on **Friday 18<sup>th</sup> July 2025**. Lessons will run as normal in the morning and then Bentley will be presenting awards from the ESP at 1pm.
- We will reopen on **Wednesday 3<sup>rd</sup> September**, with all students on site for **8.25am**.

### Exam results days

- KS5 results day (BTEC, T Level) is **Thursday 14<sup>th</sup> August**. Students will be able to collect their results from **9:00am**. This includes Yr12 T Level students collecting their core results.
- GCSE results day is Thursday 21<sup>st</sup> August. Students will be able to collect their results from **9:00am**. Enrolment for Sixth Form will commence at **10:00am**. For anyone who has not yet secured a place anywhere, we will have support to discuss what their next step may be.
- If any student is unable to collect their results in person and needs them posting or is sending a designated person to collect their results, they need to advise by completing a short form [HERE](#), this must be completed by the student and not a parent.

### Reports

Yr 10 and Yr 12 student reports are now available to view on **Arbor**. You can download a copy from there.

## Uniform

A reminder that all students need to wear full UTC uniform to the UTC.

Please click [HERE](#) for clarity around uniform expectations, which include **no leggings or trainers** (including Nike Airforce). You can purchase uniform by visiting our supplier [HERE](#).

We will be in a position in September to loan uniform to students if they arrive in incorrect items. As always, we will support families where we can, you can contact us on [enquiries@creweutc.org.uk](mailto:enquiries@creweutc.org.uk) if you would like to request assistance with uniform.

It has been a pleasure to see the diligence and dedication students have shown in college this half term. Year 10 have excelled in both their mock examinations, their ESP and their conduct during the new intake transition days. Year 12 have been working hard in preparation for year 13 or out impressing employers while on industry placement.

Should you require assistance during the summer break, our website should have all details you may need [Crewe Engineering & Design UTC](#) and the enquiries email will be monitored all throughout the summer break.

I'd like to take this opportunity to wish you all a pleasant summer break. We look forward to welcoming all the students back to college on **Wednesday 3<sup>rd</sup> September by 8.25am.**

Best regards

**Mr W Chitty**

Principal
