Dear parents & carers

As we near the end of term, I wanted to share details of our final day, January reopening, and our latest newsletter.

Yesterday we kicked off the festive season with our Christmas lunch, a big thanks to Sharon, Mandy and Mia for an amazing feast and to Mr Bowen for the festive sing along!

We will close at **3pm on Friday 19th December**. Normal lessons will continue until the end of the day, and I know many teachers have important coursework sessions planned, so it is essential that students attend as usual.

Highlights of the academic year so far saw us:

- take delivery of 15 new lathes, 4 new millers and a state of the art CNC in our workshop
- host Transport for Wales Rail 200 event with a careers fair, activities and other local schools visiting
- the first open event of the year to showcase the UTC saw over 500 people through the doors
- open applications for year 10 and Sixth Form, with a record number of applications received so far

We are in the process of meeting all Year 11 students who have applied for our sixth form. We always aim to give our current students first refusal, so if your child would like to discuss available

options, please email enquiries@creweutc.org.uk to arrange a meeting with Ms Tomkinson in the new year.

Details of courses can be found on our website:

[Sixth Form | Crewe Engineering & Design UTC](#)

College will reopen for all students on **Tuesday 6th January, at 8.25am.**

Thank you, to all our students' families for your continued support. 2025 has been a fantastic year for Crewe UTC, and I'm confident 2026 will be even better.

Regards

A handwritten signature in blue ink, appearing to read 'W. Chitty', with a stylized flourish at the end.
