Dear parents, carers and students

Exam results

We have had some enquiries regarding the dates the exam results will be available for collection. We understand that many people have summer holidays planned. With that in mind, please find below a link for students to complete in relation to the collection of their results from the UTC.

Exam results days

- Sixth Form results day (BTEC, T Level) is **Thursday 14th August**. Students will be able to collect their results from **9:00am**. This includes Yr 12 T Level students collecting their core results.
- GCSE results day is **Thursday 21st August**. Students will be able to collect their results from 9:00am.
- **Enrolment** for Sixth Form will commence at **10:00am on Thursday 21st August**. Existing UTC students who have accepted a place for Sixth Form, **MUST** still enrol, it is not automatic.
- For any students who have not yet secured a place at another education provider, an apprenticeship or employment, we will have support to discuss what their next step may be.
