

Cribden House School

We will either find a way or make one

8.2.24

In attendance: Mr Kelleher, Mr Yates, JQ/WG (All Stars 1), AH (Legends 1), BH (Avengers), CT/JM (Chiefs)

Absent: IF (Incredibles), LN (Avengers), BLG (Legends 2)

- Mr Kelleher welcomed the children and reminded them of the task in which we were there to complete. The children were shown the flyer examples they chose in the last meeting and told that they were going to create their designs today.
- The children worked independently in creating their posters, drawing their designs and adding in text that described their experience with having Autism. AH shared with the group that he had been bullied in the past due to having autism but now realises its nothing to be ashamed of.
- Mr Yates mentioned that he thinks the display in the hallway needed protective glass as some of the drawings have started to get damaged. Mr Kelleher reported that management have been looking into this.

Our next meeting will take place in the second week of Spring 2 (Thursday 29th February). We will be looking to spread our leaflets around school and the surrounding community during Spring 2.

Thanks

A Team 😊
