

Cribden House School

We will either find a way or make one

11.6.24/13.6.24

In attendance: Mr Kelleher, Mr Yates, JQ/ WG (All Stars 1), JM/CT [11th only] (Chiefs), BLG (Legends 2), AH (Legends 1), IF (Incredibles), LC/BH [13th only] (Avengers).

- In our first A-Team meeting this week, the children were given an hour to create their animations discussed in our previous meetings. Some of the children worked independently, others worked together in teams.
- Mr Kelleher and Mr Yates questioned the children on their animations and supported them in creating them.

- For our second session this week, the children were taken to Water Primary school to attend their parent's coffee morning.
- Whilst at Water Primary, the children showed the parents the group collaborative animation we made. They then went on to show the ones that they have started creating on their iPads.
- The parents and staff at Water Primary then began asking the children questions about being on the A-Team which they answered brilliantly. The children enjoyed handing out the leaflets they made for the parents to look at.

Actions to be taken:

- Mr Kelleher to email class leads about an upcoming reward trip for the A Team.
- Mr Yates to contact Tesco's Rawtenstall and organise having the A-Team leaflets displayed on the community board.
- Staff leads to Dojo home and ask parent permission for the children's picture to be displayed alongside the leaflets in Tesco's [Please 😊]

Thanks

The A-Team
