

Cribden House School

We will either find a way or make one

28/3/24

In attendance: Mr Kelleher, Mr Yates, JQ/WG (All Stars 1), AH (Legends 1), BH (Avengers), CT/JM (Chiefs)

Absent: IF (Incredibles), LC (Avengers), BLG (Legends 2)

- Mr Kelleher welcomed the children and explained to them the task for this session was to deliver the A-Teams leaflets to the surrounding community.
- Mr Yates showed the children the final digitalized versions of their work. The children expressed that they were happy with the result. WG told the others he was excited to be going out of school to deliver them.

- Taking it in turns, the A-Team then went and delivered their leaflets to the community surrounding our school. The children did a great job representing Cribden House and many displayed our Happy Minds character strengths e.g. friendship and teamwork.

- Over the Easter half term, Mr Yates received a message from someone who lives in the community surrounding our school, complimenting the A-Team on their efforts and dedication to improving the communities outlook on Autism.

Our next A-Team meeting will take place on Thursday 25th April.

Thanks

The A Team 😊
