Week 3 – Fractions

Week 4 – Fractions

Week 5 – Decimals

Week 6 – Decimals

Week 7 – Perimeter

**Science – States of matter** – children are introduced to materials and objects which can be grouped into solids, liquids and gases. They look at the properties of solids, liquids and gases and relate these to the common uses of the materials. Children also explore the similarities and differences between solids, liquids and gases.

**Outdoor Learning inc. Forest School & Visits** - This terms outdoor learning will focus on teamwork when in the forest and will also have cross curricular links with history.

## PSHRE

We will be focussing on 'Being Me In My World.' This will include work centred around feeling special and safe, being part of a class, rights and responsibilities, rewards and feeling proud.

## PE & Physical Activity

'Multi-Skills' is our unit focussing on movement, thinking and communicating skills. Some of the skills include: catching, throwing, travelling and stability.

**2023/24**

**Autumn 1**

**Learning Plan**

**Avengers**

## Humanities – History

Ancient Egypt – this term the children will learn When and where did the Ancient Egyptians lived. What daily life like in Ancient Egypt consisted of. What did the Ancient Egyptians believe happened after death. Hopefully this will also include a class trip to a museum to look at some artefacts.

## Other Curriculum Areas

*These subjects will centre around and embed learning with a thrive approach.*

## Computing

### Data -

The children are shown how to handle date in different ways. By the end of the term pupils should be able to know what is a database, what is sorting and how can databases be used in real life?

## RE

Christianity – This term children will represent Jesus in an image; create a freeze frame of one of the ten commandments; match a picture of a Christian special place to its name; design a Christian symbol, paint this symbol on a stone and then complete basic information about the symbol and its meaning, light is used as a metaphor to describe Jesus and his impact on the world and link light to Hanukkah as an important Jewish festival of light.

## MFL –

Spanish – This term in Spanish we will learn about days weeks and months. What are the days of the week, Some of the days of the week in Spanish are named after planets e.g. Martes (Mars). I can say and sing the days of the week in. What are the months in the year, Some Spanish months look the same as in English. There are no capital letters at the start of Spanish months.
