Science – Living things and their habitat

This term pupils will be learning about living things and their habitats. Pupils will be able to group animals into different categories, identify invertebrates or vertebrates, group plants based on features and create the use classification keys of their own.

Outdoor Learning inc. Forest School & Visits - This term's outdoor learning will focus on teamwork when in the forest and will also have cross-curricular links with history.

PSHRE

We will be focussing on 'healthy me.' This will include work centred around making healthy choices in your life and also healthy relationships with peers or family.

PE & Physical Activity

This term our PE topic will be looking at creating a dance that links with space. We will also have an extra session working with sea sharks rugby

2023/24

Spring 2

Learning Plan

Avengers

Humanities – History

Lancashire Cotton industry – pupils will learn about where our clothes come from in the past, how significant was the cotton industry for the people of Lancashire, what was life like for people who worked in the cotton industry and also visit some local textile museums to bring the education to life.

Other Curriculum Areas

These subjects will centre around and embed learning with a thrive approach.

Computing

Sounds -

The children will discover how are sounds stored on a computer, what kind of sounds can we use on a computer, why do we need to use sounds on the computer. They will also undertake a project to create a short podcast using this new learning.

RE

Fasting – This term children will explore the role food plays within religions. They will discuss how food is used in everyday life, before looking at examples of its use within specific religions. Children will learn about food rules within Judaism, how abstaining from food can be a religious act with reference to the Christian festival of Lent, and will consider how and why religious believers fast through looking at the Muslim festival of Ramadan.

Music

Glockenspiel

This term pupils will learn and discover how to read and follow basic music. They will also learn basic songs to play on the Glockenspiel.
