Week 6 – Time

Science –Habitat/Digestive system

This term pupils will continue learning about living things and their habitats. Pupils will also learn how to gather and present data. The largest block of learning will be surrounding the human digestive system.

Outdoor Learning inc. Forest School & Visits - This terms outdoor learning will focus on teamwork when in the forest and will also have cross curricular links with history.

PSHRE

We will be focussing on 'relationships' This will include work centred around identifying healthy relationships with peers or family and also how to manage relationships positively.

PE & Physical Activity

This term our PE topic will be focusing on cricket. Pupils will start with fine and gross motor skills involved before building to a match after learning the rules of the game.

2023/24

Summer 1

Learning Plan

Avengers

Humanities – geography

In geography we will be learning about how culture, Geographical features and weather in eastern Europe can compare to the UK. This will include a trip to a local nature spot to compare Rossendales nature with that of Germany and Poland.

Other Curriculum Areas

These subjects will centre around and embed learning with a thrive approach.

Computing

Research-

The children will learn how to safely use search engines. How to potentially identify harmful sites. How to use the search engines effectively. They will discover this in a cross curricular way during research tasks in geography, English and art.

RE

Pupils will learn about the lives of people of faith from different religions. They will identify key events in their lives, how their faith and beliefs have influenced them to overcome challenging circumstances, and how it has inspired their lives and work.

Art

The children will also have the opportunity to explore the work of a range of 'Insect' artists, in particular, Louise Bourgeois. Pupils will learn about how to use pencil, colour, mosaic design, puppet making and sculpture to create quality artwork that shows progression in their skills.
