

School Council Minutes

Present: Children: IW (Glow worms)
CH (Alphas)
CS (Shooting Stars)
DL (Fireflies)
KW (Phoenix)
JB (Fireworks)
JQ (Sunshine)
LG (Moonbeams)

Absent: BMC (Lightbulbs)

Staff: JT, JC, and Nick Pilling

1. The children were shown the leaves / handprints which JC has created for the POSITIVI-TREE which has started to be displayed in the hall. Children were asked to discuss with their classes any ideas for how we could distribute and share the thank you leaves as they are displayed. Should we just present them in class assembly on a Monday or within the celebration assembly on Friday?
2. The children passed on their responses from their classes regarding Children in Need and JT shared a letter she had prepared on behalf of the school council which we wanted to go out that day on Dojo. It was decided that:

PJ day or wear something yellow (inclusive as school badge contains yellow)

Pudsey merchandise allowed

Cake (Bake sale) in the dining hall in the morning- timetable to follow.

Car washing - weather permitting.

Treasure hunt through the forest - timetable and recording sheet to follow

Design Pudsey a t-shirt - competition

3. The children were keen to ask for baking donations from parents - although these may be better being bought ones. We would like to ask staff to bake / buy donations for us. Another suggestion including each class baking / decorating their own cakes and donations being made to purchase them (Not that we'd see anyone without)

We would really appreciate any home baking or bought donations from staff please.

4. JT will organise a Pudsey hunt through the forest and a design t-shirt competition across school - timetables to follow.
5. We will judge the weather on Friday regarding car washing. There were quite a few staff who were interested in this.
6. The children were thanked for attending. We look forward to another successful Children In Need Day full of activities and fundraising.

Date of next meeting: 25th November 2021
