

English

Throughout this half term, we will be exploring stories on a theme – the theme will be overcoming worries and facing fears. We will focus on the stories ‘Silly Billy’ and ‘Operation Night Monster’ and will explore the characters and how they overcome their fears. We will also be exploring a range of nursery rhymes and the themes that they present.

Mathematics

Throughout this half term, we will be focusing on place value and understanding number. We will be recognising the value of numbers and using a range of resources to represent them. We will also be focusing on addition and subtraction and applying this in a range of practical ways.

Science

This half term we will be exploring Animals, including their survival and growth. We will be viewing the habitats they live in and how animals adapt to live in their surroundings. We will also be out and about in our forest area to identify areas animals are living around us.

Outdoor Learning inc. Forest School & Visits

Our outdoor opportunities this half term will involve our local community. We will explore our local area – looking around Rawtenstall, local shops, library and local parks. This will allow the children to see more of their local area

PSHRE

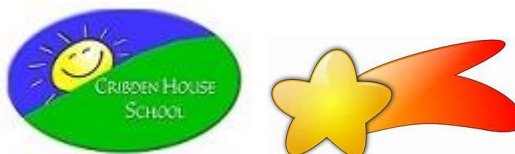

This half term in PSHRE we will be exploring Me and My Community. This unit will involve understanding what makes us feel happy and sad. How to regulate our emotions and how to support others around us.

PE & Physical Activity

This half term will focus upon building fundamental movement skills to PE sessions. This will involve increasing gross motor skills, balance and coordination.

Autumn 1 – Learning Plan

Icons

Me & My Community

In this half term we will be exploring our school community and what makes Cribden House a special place to be. We will look into how we can be helpful and support one another in our classrooms and as a school.

Computing

Our computing unit this half term will focus upon safety within our online community. We will explore what a good online community should look like, what apps we should access and which need adult permission or limited access.

RE

Community will be the focal point of this half term. We will explore what makes a good community and the people and cultures that make up our school and wider community. We will look into what an effective and successful community is and how to sustain it.

Art & Design

This half term we will produce art around our local area and choosing spots around the grounds to create pieces on. We will also explore local artists and recreate styles in their themes.

Music

This half term's unit will be exploring Pulse, rhythm, and pitch. We will use a range of instruments and using a range of songs and beats to play along to.
