Week 4 - Fractions/Multiplication & Division
Week 5 - Fractions/Multiplication & Division
Week 6 - Fractions/Multiplication & Division

Science

Forces – In this unit we will learn about the various forces we encounter on a daily basis and all associated scientific language.

Humanities – History/Geography

No units covered this half term. (See Art and Design)

PSHRE

This half term we will be focussing on 'Dreams and Goals'. This will include work centred around what we are good at and what we would like to get better at. It also looks at potential careers in the future.

PE & Physical Activity

'Gymnastics' is our unit this half term. We will focus on moving our body over obstacles, balance, transitioning across various surfaces and creating different shapes with our bodies.

2023/24

Spring 1

Learning Plan

Legends

Forest School

The children will be exploring a range of activities in Forest School. One topic area will link to our Design Technology topic. The children will explore forces in the forest using water and various natural resources.

Computing

Images and Graphics – We will learn to manipulate images by changing size, orientation, contrast, brightness and save these in a range of file formats.

Art & Design

In this unit, we will be learning about mechanisms (specifically how Cams work). The children will link their knowledge of forces in Science to create a working fairground ride.

MFL

Animals – We will be focussing on Spanish this year as our 'Modern Foreign Language'. The children will learn how to say various animals, putting these into short and simple sentences.

Music

Make You Feel My Love (Pop - Ballad)– The children will identify instruments used in this genre and listen to classic Pop songs (specifically Adele).
