Year 5 Objectives - Place Value, Addition & Subtraction

Science

Materials (Changes) – In this unit we will learn about different materials, their uses and their properties, as well as dissolving, separating mixtures and irreversible changes. The children will sort and classify objects according to their properties.

Forest School

The children will be exploring a range of activities in Forest School. One topic area will link to our Science of changing materials. The children will use mud, ice, clay and a range of other materials to explore change.

PSHRE

We will be focussing on 'Being Me In My World.' This will include work centred around feeling special and safe, being part of a class, rights and responsibilities, rewards and feeling proud.

PE & Physical Activity

'Invasion Games' is our unit focussing on movement. Some of the skills include: dodging, sideways movement, overlap and underlap running and tracking an opponent.
