

School Council Minutes

**Present: Children:** SR (Legends), LE (All Stars), JS (All Stars 2) WG (Champions), MC (Chiefs), BL (Captains), EG (Incredibles), LC (Titans), RR (Wizards)

**Absent:**

**Staff:** JC, BB, CM

**Governor:** Mr Pilling

1. The councillors were excited when they arrived as in front of them were ready made packs of soft plastics. BB had prepared these packs for the children to take back to class. BB put inside the bag some examples of what can be recycled. BB said she was very 'sad' as a school we should be better at recycling. MC brought to the council a full bag of soft plastics from home! Very impressive MC.
2. JC took the register and welcomed all councillors. JC introduced CM to the group. CM explained her role in the school council going forward. JC did a recap on last week and explained that we have got bow and arrows on order as requested from the last meeting, this is thanks to Mr Henderson and Mr Standing. JC explained that there are now more Hammocks as requested, these will be assembled in forest sessions.
3. Ideas for white wall.
  - School Logo in the middle - Motto around it
  - Anti -Bullying - like a friendship bench (so if your feeling sad, stand by the wall and a buddy will help you. Each class can have a 'buddy' who will keep a look out on their class mates)
  - Earth holding hands
  - a beautiful rainbow with TRIP in each colour
  - School logo - each child's handprint painted on the wall.
  - Forest animals
  - Sports wall (target zones)

Sarah Talbot to action 😊

4. ANTI BULLYING WEEK!  
Monday 14<sup>th</sup> November -Friday 18<sup>th</sup> November! The children wanted to do something this week to recognise this. The children said they had seen the posters up that they made.  
Monday 14<sup>th</sup> November -wear odd socks day! - the council all agreed that this is a great way to recognise anti-bullying. SC stated 'I am wearing odd socks today'  
Theme - Reach Out - info to follow to class leads.  
It was suggested we have a class 'buddy' to keep a look out on their class mates. Can class leads arrange this.
5. Children in Need. 18<sup>th</sup> November  
We agreed as a council that we will not be dressing up or asking for any donations for this. With the current cost of living crisis, we do not want to put any more pressure on families for this. Although class activities are welcomed on this day.

6. Eco-bins- recycle soft plastics

JC explained that the children are responsible for ensuring that their class are recycling correctly. JC said that once the soft plastics bag is full, a staff member will take them to a local supermarket where they can see where we recycle it and learn some valuable life skills. All members wanted to go, JC said the first one to fill their bag will go first. JS said 'we could do junk modelling' JC said that's a great idea but that may work better with cardboard. JS agreed. Can all staff members demonstrate and role model by recycling too.
