

School Council Minutes

**Present: Children:** OC (Lightbulbs), LM (Fireflies), LC (Shooting Stars), AS (Fireflies), RR (Sunshine), JJ (Moonbeams), EP (Glow Worms), AN (Alpha's)

**Absent:** SR (Phoenix)

**Staff:** SW/JC

**Governor:** Mr Pilling

1. Introduction- welcomed new council and discussed expectations (recapped our school values and how we can demonstrate these within our meetings).
2. Mr Peel would like to make deer feeders (see below for an example). We would need supplies for this. We discussed this idea which the children liked. Please let us know what each class thinks at our next meeting.

3. £287 was raised during the school Christmas market which is a fantastic amount! Please discuss with your classes what we could spend this money on and record these ideas in their school council books.
4. **A.O.B:**
  - AS mentioned that it would be a good idea to have speed limits on the MUGA go karts area as some children are going over the bumps with speed. Please remind children to be careful on the go karts.
  - JJ- said he would like more time on Bug Club as he really likes it; 4 of the children said that they also like Bug Club.
  - AS- would like to see if we can have a greater variety of items to purchase in our school shop with their vouchers; some of the other children also said this. Please let us know if any children have ideas/suggestions for items in the shop.

**Next meeting date:** Friday 28<sup>th</sup> January 9.15am-9.30am.
