

School Council Minutes

Present: Children: HL (Lightbulbs), MC (Fireworks), JM (Shooting Stars), JH (Fireflies), CT (Moonbeams), AH (Glow Worms), LB (Alpha's)

Absent: JT (Phoenix) JC (Sunshine)

Staff: JC, BB

Governor: Mr Pilling

1. JC welcomed the school councillors and NP to the meeting. NP said he was happy to be in as it was a long time since the last meeting. NP said he has seen on DOJO everyone enjoying the ice-creams for the Queens Jubilee, the children said they enjoyed this.
2. JC welcomed ideas for what we can achieve this term. MC suggested a game swap. JC said that was a good idea especially if we all ordered different board games when Dave Kay donated them. Please can class leads implement this. (if you want to go through me for this I can create an Excel spread sheet with which class has what)
3. JC acknowledged that LB was wearing a leavers jumper. JC said that it would be nice for us to do something to celebrate the leavers and welcomed any ideas for a good send off. JC also mentioned an end of term celebration and welcomed any ideas.
BB suggested a picnic on the lawn (weather dependant)
MC suggested a non-uniform day for the last day.
JC suggested a sports day. (Mr Stranding- any plans in place, if so School Council can help)
LB suggested a leaving assembly.
All children voted that they are happy with all suggestions.
4. Eco Bins- BB demonstrated a full bag of recycled plastics. The children were impressed with BBs recycling efforts. The councillors agreed that we can do more as a school to become a more eco-friendly school. The school councillors are now responsible to ensure that their peers and adults in class are recycling. We are still awaiting an Eco Bin from Co-op. JC will chase this up with the Co-op contact. JC will hand out the temporarily eco bins in briefing tomorrow. Please can we all get on board with this and set a great example for the next generation.
5. JH mentioned there was always footballs found in the forest. If a football does go over the fence, please can we collect it.

A.O.B

I asked the children to pass a message to their class leads to remind them to bring some positive hands to assembly, (I hope this was passed on) so please can we bring some into assembly for tomorrow.

If you have any ideas or suggestions for the Council, please let me or a child from your class know.

Next meeting date: 7th July at 9.15am-9.45am
