

School Council Minutes

Present: Children: SM (Legends), LE (All Stars), JS (All Stars 2) WG (Champions), MC (Chiefs), BL (Captains), EG (Incredibles), LC (Titans)

Absent: RR (Wizards) -School Trip

Staff: JC, BB, JC, SH

Governor: Mr Pilling

1. JC welcomed the School Councillors and took the register, Mr Pilling requested a reminder of the children's names, we took turns introducing ourselves to the group. JC asked if the children could spot a new face. They all pointed to Miss Claxton. JC said she will share an important message soon. JC asked the children if they had all had their photos taken from Mrs Maudsley. Everyone raised their hand for yes. The children all said that they loved wearing their new badges.
2. JC re-capped last weeks notes, the children wanted the bikes fixed and more Go-Carts. JC mentioned that a special man has been in all week fixing the bikes and mentioned the new Go-carts. The children absolutely love it, except BL because he doesn't like bikes 😊 MC requested more bow and arrows, JC suggested making some in the Forest. NP mentioned that he shared the ideas from the children in a governor meeting and more Go-Carts are to be ordered and some more helmets. JC asked the council to make sure the children in school are treating our equipment with respect. MC mentioned he saw someone mistreat a bike. JC suggested to always tell an adult so the adult can report any damages so be fixed.
3. JC shared the Cribden House Anti-Bullying Policy with the council and this was read by all the children and they are happy with it. A HUGE thankyou to everyone for their fantastic Anti-Bullying posters, what a team we are! These will be displayed on the wall board in the stables. I will send out the child friendly 'anti-bullying policy' soon to share with the children in class.
4. JC introduced and invited JCL to speak, JCL said that in the playground outside the stables there is a white wall ready to be decorated. JCL said she needs the councils help to think of something colourful, bright and positive that represents our school. JCL asked the children what they think our values are. JS said 'we either find a way or make one' SM said 'respect'. BL said 'use kind hands. JC said 'teamwork' JCL reminded them of the values. JC asked the children to go back to their classes and think of ideas for this. JC (all stars) said 'a rainbow might be nice'. SH agreed and suggested the 'TRIP' to go in each colour.

A.O.B

LC wants...

'more hammocks'

'visit a castle'

'Halloween decorations'

'swimming for more classes'

'more forest stuff'

Ideas for next week... Skill Clubs (Art, Drama, Dance, Lego etc) - to see what skills our children have and set them up for life after Cribden.

Thursday 13th October 2022 at 09.30am- 09.45am

THANKYOU!!!

Miss Clough and the School Council.
