1. The children were welcomed and the register taken. We celebrated having a full house and full attendees. The role of the school council children was explained and Miss Clough reminded them of our British Values.

2. **Red Nose Day** is back - on **Friday 15th March 2024!** It's that time of year when we do something to fight poverty through humour and fun, for communities here in the UK and around the world.

Just by donating £5 could help feed a child for a day at a community hub during the school holidays.

The theme this year is **'Being Silly, But Will Make A Serious Difference.'**

Last year we did a Red Nose Forest Hunt, a Red Nose Car Wash and a design a Red Nose Competition.

The children already mentioned that the car wash was a something they would love and if we charge £5 a car would feed a child for a day in the holidays.

The children were asked to go back to class, gather ideas for fundraising and bring them back for the next meeting.

The children all had their photos taken so that the website and wall boards can be updated. The children were given a brand new shiny 'School Council' badge to wear.
