1. Register taken and children welcomed.
2. Feedback on light monitors- Well done to LC, OW and Miss Sharp who are actively checking the lights. If we are not in the hall, thrive rooms, toilets and staff rooms please can we switch the lights off. Your School Councillors will be keeping check. Mr Pilling switched the lights off in the dining hall as there was enough light coming through.
3. Feedback on Number day- All children raised their hands to say that they enjoyed number day. Thanks to Miss Newham arranging a fun day full of maths. Mr Pilling asked AA if he enjoyed it as he said he didn't like maths in the last meeting. AA said he enjoyed the Forest Trail and the Sports activity in the hall.
4. Everyone is excited to go to the Tesco trip tomorrow to see where and how we recycle soft plastics. It has been noticed that there has been milk bottles and rope in these bags so I will re send out the list of what can go in it.
5. Red Nose Day is on the Friday 17th March 2023 this year and we need your help to think of some ideas to Fundraise. The theme this year is 'all about coming together, spreading joy, and having the best day ever in your school.' Comic Relief is able to support amazing projects and organisations who are making a difference for people across the UK and around the world. I have been posted an activity pack including stickers and some posters that I will pop in each staff room.

Some ideas we already thought of and that everyone liked are:

- car wash
- bake sale
- design a nose competition
- Talent Competition (per building)
- Stick the red nose on Mr Nosey.

There is also a theme around Little Miss and Little Mr Men and Bluey so that might be useful for in class activities.

CT said she wants to dress up as a book, Miss Sharp reminded CT that that's for 'world book day.' Miss Clough mentioned she had sent a reminder to Mr Robinson who will be taking charge of that.

A.O.B.

JA said he enjoyed the safer internet day assembly, and said he learnt some new things. FW also agreed to this.
