Week 1 – Place Value

Week 2 – Place Value

Week 3 – Place Value

Week 4 – Addition and Subtraction

Week 5 – Addition and Subtraction

Science

Through our theme of Magical Mayhem we will be exploring different consistencies of liquids and experimenting different states of matter and how they change (solids, Liquids and Gases).

Outdoor Learning inc. Forest School & Visits

Weekly forest school sessions will link and embed all curriculum learning.

PSHRE

We will be focusing on 'Dreams and Goals.' This unit will focus on children persevering to achieve a goal and learn how it feels to be proud of their achievements.

PE & Physical Activity

For PE we will be focussing on Dance – we will be learning how to move in different ways and how to transition from one move to the other.

2023/24

Autumn 2

Learning Plan

Wizards

Other Curriculum Areas

These subjects will centre around and embed learning within our 'Magical Mayhem' topic. We will continue to learn about significant events which develop children's cultural capital.

Computing

Online safety (including Online Safety Day). We will be using Beebots to start learning about programming.

R.E

We will be celebrating and recognising the cultural celebration of Lunar New Year.

Art and Design

We will be linking our Art and Design sessions with special events taking place this half term. For Burns night we will be learning how to weave, the Lunar new year we will make lanterns and for Valentines day we will look at painting and printing. We will explore different types of food including making fruit wands and baking shortbread.

Music

Musical stories – the children will explore different sounds and will experiment with different instruments. They will learn different songs and rhymes.
