Mathematics

Week 1 – Addition and Subtraction

Week 2 – Place Value

Week 3 – Place Value

Week 4 – Length and Height

Week 5 – Length and Height

Week 6 – Mass and Volume

Science

Through our theme of Life on a Farm we will be exploring different animal life cycles, we will be grouping and comparing animals and their habitats. We will also be observing different plants and trees and planting and looking after our own plants.

Outdoor Learning inc. Forest School & Visits

Weekly forest school sessions will link and embed all curriculum learning.

PSHRE

We will be focusing on 'Healthy Me' This unit will focus on eating a balanced diet, keeping fit and how to stay safe. We will also look at healthy friendships.

PE & Physical Activity

For PE we will be focussing on Invasion games. We will be looking at the different skills required for invasion games including Hockey, Netball and Football.

2023/24

Spring 2

Learning Plan

Wizards

Other Curriculum Areas

These subjects will centre around and embed learning within our 'Magical Mayhem' topic. We will continue to learn about significant events which develop children's cultural capital.

Computing

We will be using I pads to play matching games and using laptops to learn basic computer skills such as mouse control and basic drawing.

R.E

We will be celebrating and recognising the cultural celebration of Easter.

Art and Design

We will be linking our Art and Design sessions with special events taking place this half term. We will look at different colours for the festival of Holi. We will enjoy different Eater crafts including some baking activities. We will be painting and printing for Mother's day.

Music

Our topic for Music is learning to listen – We will be focussing on listening to different songs. We will explore different instruments and play them to different songs.
