Mathematics

Week 1 – Measurement - Capacity

Week 2 – Number- numerals and counting

Week 3 – Number- numerals and counting

Week 4 – Number- numerals and subitising

Week 5 – Number- numerals and subitising

Week 6 – Number – numerals and

Science

We will be exploring the natural world with a particular focus on animals and living things.

Outdoor Learning inc. Forest School & Visits

Children will continue to explore the natural world and will use all of their senses to explore natural resources. Children will use a range of natural resources to recreate life on the farm including exploring the animals that call a farm home and the different things that grow on the farm. We will also continue our weekly Forest sessions.

PSED

We will be focussing on sensory exploration and providing opportunities for the children to focus on self-care and independence.

PE & Physical Development

Our theme this half term is Music and Movement.

We will continue to develop our fundamental movement skills through the programme 'Sticky Kids' as well as building our resilience.

2023/24

Spring 2

Learning Plan

**Superheroes and Superstars
Class**

Theme – Life on the Farm

Understanding the World

As part of our cultural capital, the children will have the opportunity to learn about key events such as Pancake Day, St David's Day, World Book Day, Mother's Day, Red Nose Day, St Patrick's Day and Easter.

We will use these themed days alongside our overarching theme to provide opportunities for our children to explore the world around them.

Other Curriculum Areas

These subjects will centre around and embed learning within our 'Magical Mayhem' topic. We will continue to learn about significant events which develop children's cultural capital.

Computing/Technology

Online safety (including Online Safety Day) and the use of Beebots. Daily opportunities for pupils to use a variety of different programs throughout the curriculum on the computer and smart board. We will continue to have a selection of cause and effect toys and toys with switches in our provision.

RE

We will be celebrating and recognising the cultural celebration of Lunar New Year.

Expressive Art & Design

Many of our activities will be linked with our key events that will be taking place this half term. For Lunar New Year we will create lanterns, money envelopes and partake in dragon dancing. For Valentine's Day we will print and paint. We will continue to explore different food types including cooking, baking and children will use food to create some of their work.

MFL

We will complete activities linked to significant events to support with celebrating and raising awareness of cultural diversity.

Music

We will be using a range
