Superstars Report

Summer 2024

★Welcome to Superstars Class. We work a little differently from the rest of school ★
★ as we follow the Early Years Foundation Stage curriculum.
★

★ We have continued to build on the fantastic start we made to the year and we are incredibly proud of each
 ★ of our eight little Superstars! Since our last report, we have enjoyed two new topics of 'Life on the Farm'
 ★ and 'People Who Help Us' which we have all enjoyed immensely! Each of our little Superstars continue to
 ★ make fantastic progress and each day brings a new small step on their learning journey.

Physical Development

Alongside our weekly PE sessions, physical development forms a daily part of our curriculum particularly during outdoor play. We continue to provide opportunities for the children to explore the natural environment particularly in the forest. Miss Jodie Clough and Miss Charlotte Weldon have delivered our Forest sessions with a focus on building resilience and fostering independence for our children.

Communication and Language/Literacy

We continue to take part in daily 'rhyme time' as we learn new rhymes and signs. In Literacy, we have enjoyed a range of stories and non-fiction books linked to our topics as well as a large range of mark making activities. The children have enjoyed a range of dough disco activities and activities focused on developing their fine motor skills.

Cultural Capital

The children have enjoyed a range of activities based around developing their cultural capital including celebrating Cinqo de Mayo and World of Work. We met firefighters, police officers, farmers and a HGV driver.
