Week 4 – Traditional rhymes.

Week 5 – Traditional rhymes.

Week 6 – Traditional rhymes.

Mathematics

Week 1 – Multiplication and Division

Week 2 – Multiplication and Division

Week 3 – Multiplication and Division

Week 4 – Fractions

Week 5 – Fractions

Week 6 – Position and Direction

Science

Through our theme of People who help us we will be learning about our bodies, we will be exploring different objects/materials using our senses. We will also continue to observe different plants and trees whilst also observing seasonal changes.

Outdoor Learning inc. Forest School & Visits

Weekly forest school sessions will link and embed all curriculum learning.

PSHRE

We will be focusing on 'Friendships' This unit will focus on our families, making friends and building positive relationships. We will also explore what bullying is and how it makes people feel.

PE & Physical Activity

For PE we will be focussing on striking and fielding skills. We will be looking at the different ball skills including throwing for different purposes and retrieving balls using different skills.

2023/24

Summer 1

Learning Plan

Wizards

Other Curriculum Areas

These subjects will centre around and embed learning within our 'People who help us' topic. We will continue to learn about significant events which develop children's cultural capital.

Computing

We will be focusing on online safety and how we can stay safe online. We will also continue building on our basic computer skills – using a mouse and start using the keyboard.

Art and Design

We will be linking our Art and Design sessions with special events taking place this half term. We will be focussing this half term on using different artistic techniques to create our art pieces such as paper mache, sculpting, drawing and painting.

Music

Our topic for Music is Having Fun with Improvisation – We will be focussing on playing different instruments and having a go at creating their own song/music piece.
