Science

Through our theme of 'Our Wonderful World' we will be exploring animals and their habitats. We will look at where animals live and what animals live in which countries.

Outdoor Learning Inc. Forest School & Visits

Weekly forest school sessions will link and embed all curriculum learning.

PSHRE

We will be focusing on 'Changing me.' This theme will explore our bodies, how to make healthy choices to keep our bodies healthy and the changes that occur from infancy to childhood.

PE & Physical Activity

For PE we will be focussing on Net and wall games. We will be looking at the different ball skills including throwing for different purposes and retrieving balls using different skills.

2023/24

Summer 2

Learning Plan

Wizards

Other Curriculum Areas

These subjects will centre around and embed learning within our 'Our Wonderful World' topic. We will continue to learn about significant events which develop children's cultural capital.

Computing

We will be focusing on online safety and how we can stay safe online. We will also be using technology to look at making things move. We will do this using Bee Bots.

Art and Design

We will be linking our Art and Design sessions with special events taking place this half term. We will also be looking at art from around the world. We will be focussing this half term on using different artistic techniques to create our art pieces such as sculpting, drawing and painting.

Music

Our topic for Music will be 'Music from around the world.' We will be looking at different genres of music that have developed from different countries.

Geography.

This half term our topic will lend itself to learn some geographical skills. We will be learning about different countries, we will be looking at different maps and learning about different homes and houses from around the world.
