

Reading Recovery

Reading Recovery is a Reading and Writing intervention programme for children aged five or six (In Year 1 or 2) who are struggling to make the expected progress in class. This programme is designed to hopefully enable them to reach the age-expected levels usually within 12 to 20 weeks.

It involves a series of one-to-one lessons for 30 minutes every day with Mrs Mottram who is a specially trained reading recovery teacher. The programme is different for every child, starting from what the child knows and what they need to learn next. Right from the very start, the focus is on what "good readers and writers do".

In every daily lesson the children work on the following:

- Reading 3 specially chosen books
- Learning how to use letters and words
- Writing a short message
- Making a puzzle from their story to bring home
- Looking at new books and learning new words
- Developing spoken language
