

Full Governing Body - Terms of Reference

Membership

The governing body will ensure it has sufficient governors to undertake its duties effectively and in accordance with the Law for Governing Bodies. The governing body consists of 5 Community Governors, 1 Authority Governors, 2 Parent Governors, 2 Staff Governors (one of which will be the Headteacher) and 1 Associate Governor. All governors will be appointed for a 4-year term of office.

The governing body will ensure that it creates an environment which enables it to recruit and retain effective governors and which encourages the participation of all groups and sections of the community.

Election of chair and vice-chair

The chair and vice chair will be elected for one year at a time. Candidates may self-nominate at any time in advance of a vote. Candidates will be able to make a personal statement to the meeting before the vote if they wish. The clerk will take the chair for the election of the chair.

Where an election is contested, voting will be by secret ballot with the candidate receiving the largest number of votes being elected.

Appointment of clerk

The clerk will have a contract of employment that includes specific provisions in relation to their work as clerk. This will show hours, rate of pay, method of payment, overtime pay and period of notice and accountability.

Meetings

The governing body needs to take a strategic role, act as a critical friend to the school and be accountable for its decisions.

An annual calendar of dates for main and committee meetings will be set and published.

Each meeting will include an update from the head on progress towards the School Improvement Plan and an update on academic progress/other relevant performance data.

The governing body will receive reports from any individual or committee to whom a decision has been delegated and to consider whether any further action by the governing body is necessary.

The governing body will hold the minimum number of meetings necessary to ensure the strategic business of the school is properly addressed.

Governors will receive relevant information a week in advance of meetings to enable sound discussion and decisions to be made.

Recording the acceptance of apologies does not imply the consent of the governing body for a governor to be absent with regard to the Disqualification Regulations for non-attendance. Consent for absence may be granted by the governing body on request from governors who know they will be unable to attend meetings for an extended period. Where a governor's pattern of attendance is causing concern they will be alerted to this by the clerk or the chair.

The governing body will aim to complete full governing body and committee meetings within two and a half hours.

The governing body will ensure that there is an opportunity at least annually for all parents who wish to do so to meet with governors.
