3. Aims

At Crowland Primary School we aim to provide a calm, stable and caring environment which encourages children to develop as responsible citizens. We want every child to feel secure and able to take advantage of all learning opportunities.

Our behaviour policy is aimed at promoting self-control and co-operation and is weighted towards positive reinforcement of good behaviour. This guide provides advice to staff on developing the school behaviour policy and explains the powers members of staff have to discipline pupils.

This policy also aims to:

- Provide a **consistent approach** to behaviour management
- **Define** what we consider to be unacceptable behaviour, including bullying
- Outline **how pupils are expected to behave**
- Summarise the **roles and responsibilities** of different people in the school community with regards to behaviour management
- Outline our system of **rewards and sanctions**

4. Objectives

- To value the diversity of our school community and to meet the needs of our children
- To promote consideration and respect for others and property within the school
- To set high standards and have high expectations of all children
- To ensure children move safely around the school
- To ensure the emotional and physical safety of everyone in the school
- To promote pride in our school environment
- To promote positive behaviour and to deal with unacceptable behaviour immediately
- To recognise and act upon incidences of discriminatory behaviour and bullying immediately
- To be consistent and fair and to give the children positive recognition for their contribution to the school community

5. Equal Opportunities

We believe that it is the right of all children, regardless of their gender, ethnicity, sexual orientation, physical or academic ability, skills, linguistic, cultural or home background, to have access to quality learning experiences in a safe, secure and supportive environment.

We are committed to challenging stereotypes and discrimination.

We recognise that children's behaviour can be variable and can be affected by situations. At Crowland Primary School we feel it is important for all staff to have a whole school approach to promoting positive behaviour with clear and consistent expectations.

In certain cases, a child may present with challenging behaviour. For a variety of reasons, they may find it difficult to follow our school rules and expectations. In these cases, a child will have a personalised education plan with specific targets and strategies. They will be encouraged to work in close partnership with the Assistant Head for Inclusion and with families.

The school is committed to its legal duties under the Equalities Act 2014 in respect of safeguarding and children with special educational needs. See also school's SEND policy.

10. Rewards and Sanctions

10.1 Rewards

Our behaviour policy is based on reinforcement of positive behaviour. All staff seek to praise children and give them encouragement whenever possible. It is our intention to actively look for success in every child and to celebrate this.

Children who work and behave well or who try hard to improve receive a variety of rewards. All key stage 1 and 2 classes use the 'Going for Gold' system, with the same system operating in Nursery and Reception. (Appendix 1). A variety of other systems are used by staff to encourage individual and whole class positive behaviour.

We believe that every child has an equal chance of being rewarded according to behaviour irrelevant of previous or historical behaviour incidents.

Reward systems include:

- **Praise and certificates**
- **Emails or phone calls to parents/carers**
- **'Going for Gold' Chart** – Children move up the chart as a reward for good **behaviour**, hard work or exceptional effort. These are given out by members of staff as they see fit. The aim is to reach gold by the end of each day. If children reach silver, they are rewarded **5 Class Dojo Points. If children reach gold, they are rewarded 10 Class Dojo points**
- **Class Dojo** – children are rewarded for their effort in **learning** by receiving individual Class Dojo Points. At given points, the accumulation of points are subject to a prize awarded by the Class teacher. **50 points = small prize, 100 points = medium prize and 200 points = a large prize.**
- **Individual Behaviour Plans or Tick Charts** – these may be given to individuals who need additional encouragement to address behaviour and motivation. A target is set for the number of 'ticks' needed over a set period of time to receive an agreed reward

- **Individual Behaviour Plans** – some children may need the support of a positive tailored behaviour plan. These are subject to regular reviews by the Inclusion Manager, class teachers and parents.
- **Whole Class Rewards-** These are given to whole class in the form of ‘marbles in the jar’ and after reaching full capacity the class receives a special treat set by the class teacher.

10.2 Sanctions include:

- **A verbal reprimand**
- **Sending the pupil out of the class** to a ‘partner class’ where they will continue with their work in isolation
- Expecting **work to be completed** at home, or at break or lunchtime
- **‘Reflection Time’** at break or lunchtime
- Referring the pupil to a senior member of staff
- **Emails or phone calls home** to parents
- Agreeing a **behaviour contract or Pastoral Support Plan**
- Putting a pupil on home-school report
- **‘Quiet Room’** -We may use the ‘Quiet Room’ in response to serious or persistent breaches of this policy. Pupils may be sent to this room during lessons if they are disruptive and they will be expected to complete the same work as they would in class. The ‘Quiet Room’ is managed by Senior Leadership Team or by the Learning Mentor
- In extreme cases a **fixed term** or **permanent** exclusion may be deemed necessary in response to severe behaviour incidents

11. Off-site behaviour

Sanctions may be applied where a pupil has misbehaved off-site when representing the school, such as on a school trip or on the bus on the way to or from school.

12. Malicious allegations

Where a pupil makes an accusation against a member of staff and that accusation is shown to have been malicious, the head teacher will discipline the pupil in accordance with this policy.

Please refer to our ‘Safeguarding Policy for dealing with allegations of abuse against staff’ for more information on responding to allegations of abuse.

The head teacher will also consider the pastoral needs of staff accused of misconduct.

13. Behaviour Management

13.1 Classroom Management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the classroom.

They will:

- Create and maintain a stimulating environment that encourages pupils to be engaged
- Display the pupil code of conduct or their own classroom rules
- Develop a positive relationship with pupils, which may include:

- Greeting pupils in the morning/at the start of lessons
- Establishing clear routines
- Communicating clearly expectations of behaviour
- Highlighting and promoting good behaviour
- Concluding the day positively and starting the next day afresh
- Having a plan for dealing with low-level disruption
- Using positive reinforcement

13.2 Physical restraint

In some circumstances, staff may use reasonable force to restrain a pupil to prevent them from:

- Causing disorder
- Hurting themselves or others
- Damaging property

Incidents of physical restraint must:

- **Always be used as a last resort**
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents (see Appendix 3 for a behaviour log)

13.3 Confiscation

Any prohibited items (listed in section 6) found in pupils' possession will be confiscated. These items will not be returned to pupils. We will also confiscate any item which is harmful or detrimental to school discipline. These items will be returned to pupils after discussion with senior leaders and parents, if appropriate.

Searching and screening pupils is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

13.4 Pupil Support

The school recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristics from being at a disadvantage. Consequently, our approach to challenging behaviour may be **differentiated** to cater to the needs of the pupil.

The school's special educational needs co-ordinator will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners, learning mentors and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis

14. Pupil Transition

To ensure a smooth transition to the next year, pupils have transition sessions with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information related to pupil behaviour issues may be transferred to relevant staff at the start of the term or year. Information on behaviour issues may also be shared with new settings for those pupils transferring to other schools.

15. Staff Training

Our staff are provided with training on managing behaviour, including proper use of restraint, as part of their induction process. Less experienced staff have ongoing support through their mentoring programme and in-class CPD in the form of 'shadowing' good practice, is offered where necessary.

Behaviour management will also form part of continuing professional development where necessary.

A staff training log can be found in Appendix 2.

16. Monitoring arrangements

This behaviour policy will be reviewed by the head teacher and full governing board annually. At each review, the policy will be approved by the head teacher. The written statement of behaviour principles will be reviewed and approved by the full governing body annually.

(Appendix 1)

Going for Gold

Going for Gold is a whole school behaviour management system which aims to provide a calm, stable and secure environment that encourages children to learn. The system is designed to help children develop as responsible caring citizens and allow them to take advantage of the opportunities available to them.

Key Elements of 'Going for Gold'

- A behavioural system that promotes self control and co-operation
- Heavily weighted towards positive reinforcement of good behaviour
- Encourages children to take responsibility for their own behaviour
- A clear and transparent system of praise and sanctions
- Linked to the school's ethos and agreed rules.
- Used by all staff members

How it Works

- Each class displays a 'Going for Gold' chart.
- Each day every child starts the day on 'green' on the chart.
- They move up or down colours dependent on their behaviour (see next section)
- Children can move up and down quite quickly thus positive behaviour is reinforced and undesirable behaviour is acted upon instantly.
- So that the children's responsibility for their own behaviour is reinforced they generally work the chart themselves (so they are aware of their progression up and down)
- All the children are made aware of the steps up and down the chart.
- The system is carried out consistently within each class and across the whole school.
- Each day all pupils start on green so there is a fresh start and an opportunity to do well.

Positive Behaviour and Learning Reinforcement Steps

- **Green** – where all children begin and the minimum expectation for the end of the day
- **Silver** – the first step to reward exceptional behaviour, effort or work
- **Gold** – the second step to reward exceptional behaviour, effort or work. Children who end the day 'on gold' go to the Headteacher the following day for a sticker and small prize. The child's name is also entered into the 'Gold Book'. If a child's name is entered in the 'Gold Book' three times in a term they are presented with a certificate, trophy, school ruler and their name is publicised in the Newsletter...

Sanction Steps

- **Green** - where all children begin and the minimum expectation for the end of the day
- **Yellow** – First warning
- **Red** – Second warning. Child sent for time out in designated area in cl partner class
- **Blue** – Final warning. Child sent to Headteacher and name entered into the 'Behaviour Blue Book'. Parents are notified and next step actions are drawn up.
