

Dear Parents and Carers,

We have almost reached the end of the school year and our children have worked hard, achieved lots and encountered incredible new learning experiences. Our staff team has been amazing this year, having delivered a rich and varied curriculum which never ceases to awe and inspire our young learners. Your support throughout this year has been very much appreciated and we feel extremely grateful for the positive partnership established between the school and our families. Our children deserve a sustainable partnership which ultimately supports their wellbeing and learning. In this edition we share some of our favourite moments from this month's goings on and sadly saying 'goodbye' to those who are leaving. Thank you once again for all your ongoing support. Wishing you all a wonderful month and a fabulous summer!

Mrs Stav & Mr Winnard

Friday 21st July

Last day of Summer term
Half Day Collection time 1:30pm

Dads V Teachers Football

GOOOOOOAAAL!!!...

A wonderful afternoon enjoyed by all our spectators, parents, carers and children alike. Lots of energy and effort went into the very competitive match where dads competed against staff to win our annual football match.

A huge thanks to all the dads and staff who made this possible. Special 'thank you' to Phil Kildunne and Mr Thomas for taking the lead on this annual event and thank you to all our children and parents who supported the cause. We have managed to raise no less than **£1,500**. All proceeds will go to the

GOODBYE

It's that sad, sad time of year again...

The time has come when we have to say 'goodbye' to some very special people who have served the school admirably.

Mrs Gilkes who has been here for over ten years is moving overseas for new family adventures. Ms Owusu is going to a new school as a career move and Ms Jilou is temporarily leaving teaching with the hopeful possibility of returning to us at a later date. We also say goodbye to Mr Grange and Mr Donnoly who have been very much valued by our school community.

All our leaving staff will be very much missed by Crowland as they have contributed in so many ways to our school and to our children and families. We wish them all the best of luck and hope that this is not a permanent 'goodbye'!

We also say goodbye to our Year 6 children of course who have worked so incredibly hard, having focused on their studies, very well in their exams and more importantly have become highly respectable, well rounded young people ready for the next stage in their school career.

Crowland's Got Talent Show 2023

Wow! It was absolutely amazing!!! How much talent can really be captured in one day?? Our Crowland children showed off their talents in an unbelievably versatile way; From shadow puppetry depicting old stories, to historical re-enactments of The Titanic to dancing & singing, to rubix-cube competition; The show was truly fabulous. Thank you to all the children who took part, to all our wonderful staff who made it possible, especially Mr Adebayo for organising and huge thanks to our judges Dawn Ferinand (Headteacher from The Willow Primary School, Cathy from Haringey Music Services and our very own in-house judges Mr Adebayo, Mrs Demitri and Ms Reynolds. Thank you also to all our parents and carers who made the time to attend this very special event. An unforgettable event!

Our Beach Trip was the Best Ever!!! July 2023

What happened just then! Was that the best day ever?? We all had such a wonderful time. The children, the staff, the parents – everyone had so much fun. It was probably the hardest place to leave after an amazing fun day- convincing parents, staff and the children to return home was quite a challenge! Thank you to all the parents and carers who shared this special day with us- Always very welcomed!
