Mayan Workshop Year 5

Wednesday 28th June

Choir Concert

Thursday 6th July

Year 4 Music Concert

Friday 21st July

Last day of Summer term
Half Day Collection time 1:30pm

Dear Parents and Carers,

It is almost the end of the school year and still lots of excitement coming our way! Our nursery children are now ready for the next phase in their school career as are all our pupils. Día Latino was such a huge success and the children loved the performances, the workshops, the cooking and a rich range of activities on offer. Thank you for supporting this great event. The children looked amazing which added to the excitement and splendour! Spanish is the Modern Foreign Language taught in our school and also the first language spoken by many of our children originating from different parts of the world. Huge thanks to Mr Rodríguez and Miss Cabrera who took the initiative and organised such an amazing day!! A few snapshots from our amazing Día Latina event and much more! Have a wonderful month everyone.

Mrs Stav & Mr Winnard

Congratulations to our Nursery graduates who will now be moving into Reception. We are so proud of your achievements so far. Thank you to all our parents and carers who came in for the graduation ceremony. Finally thank you to our wonderful Early Years Team who made it such a special occasion. All ready for the next

Bike Sheds

We are so happy to see many of our children making healthy choices by walking or cycling into school. We want to encourage such great habits from a young age and to this end, we have been working hard at making appropriate arrangements for parking bays so that all our children can rest assured that their bikes are well kept in a safe and appropriate place. We know that the current arrangements are not ideal and we are in the process of improving the parking bays. We are looking at various options, some of which come at a certain cost but once we reach a suitable agreement we will let you know. In the meantime, thank you for your patience and for pursuing a healthy option for your children.

Crowland Sports Day 2023

Wasn't it wonderful to see all the children on the field enjoying a fun day and participating in competitive sport. There was also comradery, co-operation and great leadership displayed by our excellent Year 6 students who helped Coach Wayne and Mr Thomas organise the event by helping all our competitors and guiding them to the rules of each event. Thank you to all our parents and carers who made time to attend the event. We very much enjoyed having you there and watching you compete too! Huge thanks to our in-house Coach Wayne and Mr Thomas who always make a huge success of our Sports events. The weather was fabulous and a couple of our parents suggested that for future events we should have food and drink stands; What a wonderful idea we thought! ...

Online Safety

Summer holidays are fast approaching and it is so important to remain vigilant on how our children are engaging with on-line materials, social media, games and any other platforms which may present risks to our children. Some guidance for parents and carers are as follows;

1. Talk to your child about possible on-line dangers
2. Encourage them to think critically and question what they see online. Help them develop a healthy suspicion of whether people are who they say they are.
3. Let them know that if they are worried, they can talk to you about it. And that you won't panic or punish them if they do.

Watch the video below to find out how to protect children in the digital world, how to report harmful content and to develop skills for healthy screen time.

Once again, our Crowland Choir did so so well!!

Since taking up leadership in Music, Mr Adebayo has been at the forefront of establishing our Crowland choir. Much work and dedication goes towards rehearsals, training and getting those harmonies and melodies just right! Our children are loving it and they have already seen so many successes with their singing and performing, some of which we've had the privilege to share with you. This term Mr Adebayo organised a wonderful choir performance with many other local schools in Haringey including Rhodes Avenue, South Haringey and The Willow. It was absolutely amazing! The children were so excited that we ended up in a kind of semi-competitive spirit! They sang their hearts out full of enjoyment, expression and fun... Maybe next time we will see a full on competition.

DIA LATINO 2023!!!!

Crowland is a Spanish learning school and on Friday 30th of June 2023 we celebrated our Latin Day, “El Día Latino”, a celebration of Spanish language and its speakers around the globe. We had guests from Chile, Colombia, Ecuador, Paraguay and República Dominicana. Our students, and also staff, enjoyed a live music show to start the day and we all attended a traditional Ecuadorian folk-dance workshop. We cooked salsas, made Mexican Dia de los Muertos skulls, played maracas and made refreshing fans. It was good fun, have a look!
