

Headteacher: Stav Stavrinou

Dear parents and carers,

Welcome back to our new school term, we hope your children have enjoyed the first few days back at school! I am writing with some key updated information with regards to Physical Education at Crowland. All PE will start the week beginning Monday 14th September.

- We are happy to announce that Mr Wayne Burke-Georgiou (Coach Wayne) will be teaching PE lessons at Crowland. He is already well known by all of the children and we are very excited to have him on board!
- All children will be required to do PE if they are in school as part of the National Curriculum. If there is any reason as to why your child cannot participate please speak to myself, Mr Burke-Georgiou or please inform the school office.
- The PE kit consists of black shorts, white t-shirt and supportive trainers. Following current guidelines, PE will be taught outside as much as possible, therefore, PE kit will now include a black hoodie/sweatshirt and joggers/leggings.
- On the day of their lesson (please see below), children will be required to come to school dressed in their PE kit. Until further notice there will be no changing areas available within the school.
- On wet or extremely cold days, PE will be in the main hall of the school. This will be ventilated well, and good respiratory hygiene will be maintained.
- After each lesson the PE equipment will be disinfected ready for use by others. Equipment used at playtimes will be specific to each class and will also be disinfected at the end of the day. There will be no sharing of equipment between bubbles.

A full risk assessment will be available to view at a later date, but until then, if you have any further questions please feel free to contact the school.

Kind regards,

Mrs Nafisa Gilkes

Physical Education Subject Leader
