

Headteacher: Stav Stavrinou

Dear Parents and Carers,

I would like to begin by saying that we are so pleased to have our children back in school and to thank you for your co-operation and support during this unusual start to the academic year.

All new procedures are in place and it has been a relatively smooth transition to the new arrangements so far.

We have tried out a cold lunch menu this week but as from next week we intend to revert back to our hot lunches as we feel this will increase the menu options for our children.

Some year groups may also be using the dining hall with the new arrangements, but I would like to assure you that we are maintaining the single 'bubble' system at all times avoiding contact between year groups.

In order to ensure efficiency, we ask that you respond to the questions below stating whether your child will be having school lunch or packed lunch prepared at home.

To help us with the new arrangements, we ask that you provide us with information on whether your child is having school lunch or packed lunch. Once registered, this will be taken as the agreed arrangement. If you need to change such an arrangement we would very much appreciate it if you can provide a **two week notice** to the front office.

These new arrangements will ensure that our children are receiving a better quality menu with the added advantage of hot meals.

I thank you in advance.

Mrs Stav
