Dear Parents/Carers,

Reading books

As you are aware, we have recently purchased new RWI books to support your child's learning of phonics. We have worked hard to ensure that all children have access to a range of new and high-quality books that they can take home safely to reinforce their phonics learning. Children reading books from the Read, Write, Inc program are allocated books by their teacher based on their reading level; children receive their class RWI phonics books as well as their RWI books bag books.

Caring for books

Please ensure your child looks after their books. They should not tear or crease the pages, bend the spines back or deface the pages by drawing or writing on them and - most important of all - keep books away from leaking water bottles. A lot of time and money has been spent providing these top-quality books and we need your support to ensure that every child is able to benefit in the long term.

Lost or damaged books

So that we can continue to provide high quality phonics books, **charges of £8 for any lost or damaged books** will be made and go towards replacing the book.

Thank you for your understanding in this matter. We want to ensure all children get the best resources to support a key part of their education and learning.

Kind regards,

The Literacy Team
