Dear Year 2 adults,

Some children have reported that they have been told by family members that they will not be entering Year 3 if they do not pass KS1 SATs next week.

We would like to clarify children will not be held back a year if they do not pass the KS1 SATs and we feel concerned that such notions will discourage our children and raise their anxiety levels, something we are actively trying to avoid.

As per our previous letter, Crowland's aim for SATs week is to be low stress and we want the children to feel as relaxed and calm as possible.

Please encourage children to try their best and reassure them there will be no implications if they do not achieve the desired score.

If you have any other questions please chat to us at the end of the day.

With warm regards,

Year 2 Team
