

Headteacher: Mrs Stav Stavrinou

Monday 18th July 2022

Dear Parents and Carers,

The measures we have taken today have kept everyone as comfortable as possible however, in some parts of the building it has been extremely hot for children to continue and some have had to be sent home during the course of the day.

Tomorrow looks like it will be a much hotter day. In the interests of everyone's safety we have therefore decided to close the school for tomorrow, **Tuesday 19th July 2022**. We will re-open as usual on **Wednesday 20th July 2022** at the usual time.

I am aware that parents in the Early Years have received a notification to say that school will be open till 11:30 but given the temperatures, we will have to override this arrangement and ask that our Early Years children also stay at home.

Please look at the information we have already shared with you to help you find ways to keep as cool as possible tomorrow. We look forward to seeing you all back at school on Wednesday.

Yours sincerely,

Stav Stavrinou

Headteacher

Crowland Primary School
